

Quail Ridge Color Options Quick Reference Guide

Updated by ARC Committee and approved by Quail Ridge HOA Board on 3/26/2020.

Those marked Option 1 are the original colors with options 2 and 3 being new. Color codes below are from Sherwin-Williams, however any local retailer can match the color code listed. Do not match from a color swatch as this is inconsistent. Front door colors listed are optional.

Remember that all painting, even if using original colors, will require approval in writing by the Architectural Control Committee through the use of an "ARC Request".
