SHOREWOOD OF CAPE CANAVERAL, INC., a Florida corporation, hereby amends the Declaration of Condominium as follows:

1. **II**

SURVEY AND DESCRIPTION OF IMPROVEMENTS

A. Attached hereto and made a part hereof, and marked Exhibit A consisting of fifteen (15) pages and Exhibit B, consisting of twelve (12) pages, and Exhibit E consisting of sixteen (16) pages are boundary surveys of the entire premises of which Phases One, Two, Three, Four, Five, Six and Seven are a part, boundary surveys of each phase, a graphic plot plan of the overall planned improvements, and graphic descriptions of the improvements contemplated as comprising Phases One, Two, Three, Four, Five, Six and Seven in which units are located, and plot plans thereof, identifying the units, the common elements and the limited common elements, and their respective locations and dimensions.

Said surveys, graphic descriptions and plot plans were prepared by:

ALLEN ENGINEERING, INC.
By: ROBERT M. SALMON
Professional Land Surveyor
No. 4262, State of Florida

and have been certified in the manner required by the Florida Condominium Act. Each unit is identified and designated by a specific number. No unit bears the same numerical designation as any other unit. The specific numbers identifying each unit are listed on Sheets 7 through 10 of Exhibit A and Sheets 7 through 10 of Exhibit E attached to this Declaration of Condominium.

All other paragraphs of Article II shall remain in full force and effect and unchanged by this Amendment.

2. **III**

OWNERSHIP OF UNITS AND APPURTENANT SHARE IN COMMON ELEMENTS AND COMMON SURPLUS, AND SHARE OF COMMON EXPENSES

Each unit shall be conveyed as an individual property capable of independent use and fee simple ownership and the owner or owners of each unit shall own, as an appurtenance to the ownership of each said unit, an undivided one sixty-fourth (1/64)

share of all common elements of the condominium, which includes, but is not limited to, ground support area, walkways, yard area, parking areas, foundations, etc./ and substantial portions of the exterior walls, floors, ceiling and walls between units. The space within any of the units and common elements shall not be further subdivided. Any undivided interest in the common property is hereby declared to be appurtenant to each unit and such undivided interest shall not be separate from the unit and such interest shall be deemed conveyed, devised, encumbered or otherwise included with the unit even though such interest is not expressly mentioned or described in the conveyance, or other instrument. Any instrument, whether a conveyance, mortgage or otherwise, which describes only a portion of the space within any unit shall be deemed to describe the entire unit owned by the person executing such instrument and an undivided one sixty-fourth (1/64) interest in all common elements of the condominium.

The common expenses shall be shared and the common surplus shall be owned in the same proportion as each unit owner's share of the ownership of the common elements, that is one sixty-fourth (1/64).

All other paragraphs of Article III shall remain in full force and effect and unchanged by this Amendment.

3.

IV

UNIT BOUNDARIES, COMMON ELEMENTS, AND LIMITED COMMON ELEMENTS

The units of the condominium consist of that volume of space which is contained within the decorated or finished exposed interior surfaces of the perimeter walls, floors (excluding carpeting and other floor coverings) and ceilings of the units, the boundaries of the units are more specifically shown in Exhibit A and Exhibit E attached hereto. The dark solid lines on the floor plans hereinabove mentioned represent the perimetrical boundaries of the units, while the upper and lower boundaries of the units, relating to the elevations of the units, are shown in notes on said plan.

There are limited common elements appurtenant to each of the units in this condominium, as shown and reflected by the floor and plot plans. These limited common elements are reserved for the use of the units appurtenant thereto, to the exclusion of other units, and there shall pass with a unit, as an appurtenance thereto, the exclusive right to use the limited common elements so appurtenant. In addition, there are sixty-five (65) garages as shown on Sheet 6 of Exhibit "A" and Sheet 6 of Exhibit "F". These garages are common elements for which the Developer reserves the right to designate the unit which shall be entitled to exclusive use of the garage. After such designation the garage shall be appurtenant to the unit and shall become a limited common element. The Developer may charge a fee for the assignment of these garages, in its sole discretion.

Any air conditioning and/or heating equipment which exclusively services a Unit shall be a Limited Common Element appurtenant to the Unit it services.

The common elements of the condominium unit consist of all of the real property, improvements and facilities of the condominium other than the units and the limited common elements as the same are hereinabove defined, and shall include easements through the units for conduits, pipes, ducts, plumbing, wiring and other facilities for the furnishing of utility services to the units, limited common elements and common elements and easements of support in every portion of a unit which contributes to the support of improvements and shall further include all personal property held and maintained for the joint use and enjoyment of all the owners of the units.

There are located on the common elements of the condominium property swale areas for the purpose of water retention and these areas are to be perpetually maintained by the Association so that they will continue to function as water retention areas.

All other paragraphs of Article IV shall remain in full force and effect and unchanged by this Amendment.

4.

VI

MEMBERSHIP AND VOTING RIGHTS

There shall be a total of sixty-four (64) votes to be cast by the owners of the condominium units. Such votes shall be apportioned and cast as follows: The owner of each condominium unit (designated as such on the exhibits attached to this Declaration) shall be entitled to cast one (1) vote. Where a condominium unit is

owned by a corporation, partnership or other legal entity or by more than one (1) person, all the owners thereof shall be collectively entitled to the vote assigned to such unit and such owners shall, in writing, designate an individual who shall be entitled to cast the vote on behalf of the owners of such condominium unit of which he is a part until such authorization shall have been changed in writing. The term, "owner," as used herein, shall be deemed to include the Developer.

All other paragraphs of Article VI shall remain in full force and effect and unchanged by this Amendment.

5. VII

**COMMON EXPENSES, ASSESSMENTS, COLLECTION
LIEN AND ENDORSEMENT, LIMITATIONS**

The Board of Administration of the Association shall propose annual budgets in advance for each fiscal year which shall contain estimates of the cost of performing the functions of the Association, including but not limited to the common expense budget, which shall include, but not be limited to, the estimated amounts necessary for maintenance, and operation of common elements and limited common elements, landscaping, street and walkways, office expense, utility services, replacement and operating reserve, casualty insurance, liability insurance, administration and salaries. Failure of the board to include any item in the annual budget shall not preclude the board from levying an additional assessment in any calendar year for which the budget has been projected. In determining such common expenses, the Board of Administration may provide for an operating reserve not to exceed fifteen (15%) percent of the total projected common expenses for the year. Each unit owner shall be liable for the payment to the Association of one-sixty-fourth (1/64) of the common expenses as determined in said budget.

All other paragraphs of Article VII shall remain in full force and effect and unchanged by this Amendment.

6. XIV

TERMINATION OF CONDOMINIUM

The distributive share of each unit owner in the net proceeds of sale, though subject to the provisions hereinafter contained shall be the following portion thereof; to-wit:

AN UNDIVIDED ONE SIXTY-FOURTH (1/64)

All other paragraphs of Article XIV shall remain in full force and effect and unchanged by this Amendment.

IN WITNESS WHEREOF, the above stated Developer has caused these presents to be signed and sealed this 23rd day of January, 1997.
