WHEREAS, Declarant recorded that certain Declaration of Covenants, Conditions, Easements, Reservations and Restrictions for Stone Ridge Townhomes Residential District recorded in Official Records Book 5656, page 5307, Public Records of Brevard County, Florida (hereinafter referred to as the "Original Declaration"), under the terms of which Declarant subjected that certain real property described in Exhibit "A", attached hereto and made a part hereof, to the covenants, conditions, easements, reservations and restrictions set forth therein; and

WHEREAS, the Class B Control Period has not expired;

WHEREAS, Declarant desires to amend the Original Declaration as provided in this First Amendment to and Restatement of Declaration of Covenants, Conditions, Easements, Reservations and Restrictions for Stoneridge Townhomes Residential District as set forth hereinbelow, which amendment is consistent with the general development plan for the Properties set forth in the Original Declaration; and

WHEREAS, Declarant intends that this Declaration shall amend and restate as to the District Property: (i) mutually beneficial restrictions under a general plan of improvement for the benefit of all owners of a real property within the Properties; (ii) flexible and reasonable procedure for the maintenance of the District Property; (iii) a method for the administration, preservation, use and enjoyment of the District Property; and (iv) amend the name of the District to Stoneridge Townhomes Residential District.

NOW, THEREFORE, Declarant hereby amends and restates the Original Declaration in its entirety as hereinafter set forth, and the terms and conditions of this Declaration shall control and supersede those contained in the Original Declaration, and all of the property described in Exhibit "A", attached hereto and made a part hereof, and any additional property as is hereafter subjected to this Declaration as provided herein, shall be held, sold and conveyed subject to the following covenants, conditions, easements, reservations and

restrictions, which are for the purpose of protecting the value and desirability of, and for the purpose of protecting the value and desirability of, and which shall run with, the real property subject to this Declaration and which shall be binding on all parties having any right, title or interest in the real property subjected to this Declaration or any part thereof, their heirs, successors, successors-in-title and assigns.

Section 17. “District Association” shall mean and refer to Stoneridge Townhomes Residential District Association, Inc., a Florida not-for-profit corporation, its successors or assigns, which has been established or is being simultaneously established herewith.

Section 33. “Voting Member” shall mean and refer to the representative (or such representative’s alternate if he or she is unable to attend a meeting of the Community Association) selected by the District Association to be responsible for casting all votes of the membership of the Community Association attributable to Units or Unplatted Parcels in the District for all matters requiring the vote of membership of the Community Association, unless otherwise expressly specified in the Community Declaration or bylaws of the Community Association. The Voting Member of the District shall be the president of the District Association, unless a majority of the Board of Directors shall determine to appoint another representative as the Voting Member for the District. The alternate Voting Member shall be the vice president of the District Association, unless a majority of the Board of Directors shall determine to appoint another representative as the alternate Voting Member for the District.

Section 34. Defined Terms in Community Declaration. Capitalized terms not otherwise defined in the District Declaration, but defined in the Community Declaration, shall have the meaning set forth in the Community Declaration unless the context shall otherwise require.

ARTICLE II Property Rights

Section 1. Rights of Owners. Every Owner shall have a non-exclusive right and easement of use and enjoyment in and to the Common Area for the purpose for which it is intended, subject to this District Declaration as it may be amended from time to time, any easements reserved therein or granted by District Declarant or Community Declarant, any terms and conditions of the Community Declaration as it may be amended from time to time, and to any restrictions or limitations contained in any plat and in any deed conveying such property to the District Association or subjecting such property as Common Area to the District Declaration. Such non-exclusive right or easement is subject to (i) the right of the District Association to limit the number of guests of Owners or Owners who may use the Common Area from time to time; (ii) the right of the District Association to promulgate, establish and enforce reasonable rules and regulations pertaining to the use of the Common Area; and (iii) the right of the District Association to take such steps as are reasonably necessary to maintain, preserve and protect the Common Area. Any Owner may delegate his right of enjoyment in and to the Common Area to the members of his family, his tenants, guests or invitees, as applicable, subject to reasonable regulation by the Board of Directors of the District Association and in accordance with procedures it may adopt. An Owner of a Unit who leases his Unit shall not be deemed to have delegated such rights to the Unit’s lessee, except to the extent provided in the lease. No Owner may exempt himself from personal liability for or exempt his Unit or Unplatted Parcel from any Assessments duly levied by the District Association, or release the Unit or Unplatted Parcel owned by the Owner from liens, charges, encumbrances and other provisions of this District Declaration or the rules and regulations of the District Association by (a) the voluntary waiver of the right, privilege and easement for the use and enjoyment of the Common Area; or (b) the abandonment of his Unit or Unplatted Parcel.

Section 2. Leasing. An Owner shall be allowed to lease his Unit or Unplatted Parcel, provided that any such lease shall require the tenant thereunder to comply with the terms and conditions of the District Declaration, Bylaws, Articles of Incorporation, Community Declaration, bylaws and articles of incorporation of the Community Association, and provided further that such lease and tenancy is otherwise in compliance with any rules and regulations promulgated by the District Association or the Community Association. No lease of a Unit or Unplatted Parcel shall be for a term of less than one (1) year, and any such lease shall be in writing and shall be enforceable by the District Association and the Community Association, whether or not so stated in its terms. During the term of any lease, Owner shall not be relieved of any obligations under the terms of the District Declaration and Community Declaration, and Owner shall be liable for the actions of his tenants which may be in violation of the terms and conditions of the District Declaration, Community Declaration, any rules and regulations thereunder and any other documents set forth above, notwithstanding the fact that the tenants are also fully liable for any violation of the documents and regulations. In the event a tenant, occupant, guest, invitee or person living with the tenant or occupant violates the District Declaration, Bylaws, Articles of Incorporation, the Community Declaration, the bylaws or articles of incorporation of the Community Association, or the rules and regulations of the District Association or Community Association, the District Association or Community Association as appropriate, shall have the power to bring an action or suit against the tenant, occupant, guest, invitee and the Owner, or any combination of the foregoing, to recover sums due for damages or injunctive relief, or for any other remedy available at law or in equity.

Section 3. Time-Share Prohibition. No time sharing plan as the term is defined in Chapter 721, Florida Statutes (2004), as amended, or any similar plan of fragmented or interval ownership of Units or Unplatted Parcels shall be permitted on the District Property, and no attempt to create same by lease or otherwise shall be allowed.

Section 4. Board of Director's Rights. The Board of Directors, in its sole discretion, by resolution may extend permission to selected non-owners of any interest in the District Property, to use portions of the Common Area subject to such terms and conditions as the Board of Directors may impose.

Section 5. Withdrawal. District Declarant reserves the right to amend this District Declaration unilaterally at any time so long as District Declarant owns any land which is subject to this District Declaration, for the purpose of removing certain portions of the District Property then owned by District Declarant, its affiliates or the District Association from the purview, operation and effect of this District Declaration. For such an amendment to have effect, the Community Declarant must consent thereto and such amendment setting forth the withdrawal must be filed in the Public Records of Brevard County, Florida with the consent of the Community Declarant attached.

Section 6. Amendment. This Article shall not be amended without the written consent of District Declarant, unless District Declarant no longer owns any land which is subject to the District Declaration or subject to annexation to the District Declaration.

ARTICLE III
District Association

Section 1. Objects, Purposes and Function. The District Association has been created and established for the objects and purposes of and shall have exclusive jurisdiction over and the sole responsibility for the administration, management, operation, regulation, care, maintenance, repair, restoration, replacement, preservation and protection of the Common Area and to the extent provided by agreement or otherwise of that portion of the Area of Common Responsibility which is not a part of the Common Area; the establishment, levy, imposition, enforcement and collection of all fines, charges and Assessments for which provision is made in this Declaration; the payment of all Common Expenses; and the promotion and advancement of the general welfare of the members of the District Association; subject in all cases to the right of the Community Association to act in the place and stead of the District Association, in the event the District Association fails to carry out its rights and responsibilities as provided under the District Declaration, the Articles of Incorporation and Bylaws; all as more particularly provided in this District Declaration and in the Articles of Incorporation, Bylaws and rules of regulations of the District Association.

Section 2. Duties and Powers. In addition to those duties and powers conferred by law and those specified and enumerated in the Articles of Incorporation and the Bylaws, the District Association shall have such duties and powers as are, respectively, imposed and conferred upon it pursuant to this District Declaration, including, without limitation, such duties and powers as may reasonably be implied from, necessary for or incidental to the accomplishment of the objects and purposes for which the District Association has been created and established. All duties and powers of the District Association shall be exercised by the Board of Directors unless otherwise provided in this District Declaration, the Articles of Incorporation and the Bylaws.

Section 3. Membership. Every Owner shall be deemed to have a membership in the District Association. No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Unit or Unplatted Parcel owned. The membership shall not be refused, waived or surrendered, but voting rights and rights of use and enjoyment of the Common Area may be regulated or suspended as provided in this District Declaration, the Articles of Incorporation, the Bylaws and rules and regulations adopted by the District Association. Notwithstanding anything in this District Declaration to the contrary, no governmental authority owning lands, or an interest in lands, dedicated to public use and accepted by such governmental authority, including without limitation public schools, public streets and public parks, shall be a member of the District Association.

Section 4. Transfer of Membership. Membership in the District Association shall be appurtenant to and may not be separated from the ownership interest of an Owner in a Unit or Unplatted Parcel. The membership of an Owner in the District Association shall not be transferred, pledged or alienated in any way, except that such membership shall automatically be transferred and assigned upon the transfer of the ownership interest required for membership in the District Association. Owner agrees to immediately notify the District Association upon such

transfer and to deliver to the District Association the address of the new Owner, and a copy of the deed conveying the Unit or Unplatted Parcel to the new Owner.

Section 5. Voting Rights. The District Association shall have two (2) classes of membership, Class "A" and Class "B", as follows:

(a) Class "A" members shall be all Owners with the exception of the Class "B" member, if any. Voting rights shall be allocated among Class "A" members as follows: (i) One (1) vote per acre or portion thereof shall be allocated to an Unplatted Parcel; and (ii) For those portions of the District which are subject to a Plat or are otherwise designated by District Declarant as a Unit, each Unit shall be allocated one (1) vote.

(b) The Class "B" member shall be the District Declarant. The Class "B" member shall have 2,000 votes until the Class "B" membership terminates and becomes converted to Class "A" membership. The rights of the Class "B" member, including the right to approve actions taken under this District Declaration and the Bylaws, are specified elsewhere in this District Declaration and the Bylaws. The Class "B" member shall be entitled to appoint the members of the Board of Directors during the Class B Control Period, as provided in the Bylaws. The Class "B" membership shall terminate and become converted to Class "A" membership upon the earlier of:

- (i) The expiration of the Class "B" Control Period; or
- (ii) When, in its discretion, the District Declarant so determines.

Section 6. Cumulative Voting. No cumulative voting shall be permitted.

Section 7. District. The District of which the District Property forms a part may have additional lands annexed thereto in accordance with the terms of the Community Declaration, including without limitation, the property described generally in Article VI, Section 1 of this District Declaration, and further may be modified subject to the terms and conditions of the Community Declaration pertaining to designation of Districts (as defined therein) and their reconfiguration. Those portions of the District not subjected to the terms and conditions of this District Declaration may, but shall not be obligated to, become a part of the District Property, in the sole discretion of the District Declarant. Such annexation of additional property into the District Property, if any, may be accomplished in accordance with the terms and provisions of Article VI hereof.

ARTICLE IV

Maintenance; Insurance; Party Walls

Section 1. District Association's Responsibility. The District Association shall maintain and keep in good repair the Area of Common Responsibility, such maintenance to be funded as hereinafter provided. This maintenance shall include, but need not be limited to, maintenance, repair, restoration and replacement, subject to any insurance then in effect, of all landscaping and other flora, structures and improvements situated upon or under the Area of

Common Responsibility, including but not limited to recreational amenities, if any, drainage and irrigation systems, recreation and open space, utilities, private streets, medians, street lights, entry features and signage, traffic control devices and pedestrian systems, and such other actions as may be required pursuant to the terms and conditions of any agreement of the District Association, the District Declaration and the Community Declaration. This maintenance shall also include the maintenance responsibilities for the exterior of Units specified in Section 2 hereinbelow of this Article IV. The District Association shall also maintain and keep in good repair such portions of any additional property not included within the Area of Common Responsibility as may be dictated by this District Declaration, or by a contract or agreement for maintenance thereof by the District Association or by a governmental entity or agency. In the discharge of its responsibilities, the District Association shall comply fully with the Development Order and other Development Approvals to the extent relevant and applicable to the Common Area or the District Association's duties and responsibilities. Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Area of Common Responsibility, or any improvements therein, and additional property (as provided above) shall be a Common Expense to be allocated among all Units and Unplatted Parcels as part of the Assessments.

The District Association may maintain property which it does not own (in addition to those portions of the Area of Common Responsibility which it does not own), including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard (as defined in the Community Declaration).

Section 2. Exterior of Units. Maintenance responsibilities of the exterior of Units in the District shall be allocated as follows:

Lawn service, landscaping, mulching and other yard maintenance of the yard area of all Units, including any shrubbery, hedging, lawns, flower beds, trees, mulching and fertilizing (other than any such landscaping which may be planted by an Owner pursuant to the terms hereof and other than existing trees or vegetation as of the date hereof), and the common irrigation system located therein or thereunder shall be maintained by the District Association as part of the Area of Common Responsibility at such times and in such manner as shall be determined by the District Association. Owners within the District may not plant any landscaping of any kind on any Area of Common Responsibility (which includes all yard areas of any Unit), except an Owner may plant landscaping consistent with the Landscape Design Criteria promulgated by the ARC in an area or areas to be designated by the ARC from time to time. Any such landscaping planted by an Owner shall be maintained by the Owner thereof in a good, aesthetically pleasing manner and shall not be the responsibility of the District Association. Owners within the District may not alter or modify any portion of the common irrigation system (including any timers constituting a part thereof) without the prior written approval of the District Association.

In addition, all exterior painting of the Units and roof maintenance and repairs shall be performed by the District Association as part of the Area of Common Responsibility at such times and in such manner as shall be determined by the District Association; provided, however that the District Association's obligation with respect to the roofs of the Units shall

include the exterior surface, moisture barrier and roof sheathing and shall also include the obligation to maintain any fascia, soffit or rain gutters. In addition, the District Association may in its discretion provide for regular termite treatment to the exterior of Units. All other maintenance obligations with respect to the exterior of Units shall be the responsibility of the respective Owners. Each Owner shall be solely responsible for any damages caused by, on behalf of or at the direction of such Owner to any Area of Common Responsibility.

Section 3. Owner's Responsibility. Except as expressly provided in Section 2 hereinabove in this Article IV, each Owner shall maintain his or her Unit or Unplatted Parcel and all structures, parking areas and other improvements comprising the Unit or Unplatted Parcel in good repair and in a manner consistent with this District Declaration and any standard established by the Board of Directors, and in any District planning and design criteria, as well as the Community-Wide Standard, and all applicable covenants, including those contained within the Community Declaration and the District Declaration, unless such maintenance responsibility is otherwise assumed by or assigned to the District Association. If any Owner fails properly to perform his or her maintenance responsibility, the District Association, in its sole discretion, shall have a right of entry upon such Unit or Unplatted Parcel and may perform such maintenance and assess all costs incurred by the District Association (together with an overhead expense to the District Association of fifteen percent (15%) of the total amount thereof) against the Unit or Unplatted Parcel and the Owner thereof in accordance with Section 3 of Article VII of this District Declaration; provided, however, except when entry is required due to an emergency situation, the District Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry. The District Association shall have no obligation to perform any such maintenance, unless required to do so under the District Declaration or Community Declaration. The determination as to whether a Unit or Unplatted Parcel and all structures, parking areas and other improvements are being maintained in good repair and in a manner consistent with the foregoing shall be made by the Board of Directors, except to the extent the ARC may otherwise determine as to the Community-Wide Standard.

Section 4. Community Association. If the District Association fails to perform its maintenance responsibility as required herein and in the Community Declaration, the Community Association shall have a right of entry and may perform same and assess the cost thereof, all as provided in the Community Declaration.

Section 5. Determination of District Standard. The District Declarant or District Association may establish a standard for the District as to conduct, maintenance or other activity generally prevailing throughout the District, which standard, if established, shall at least meet that of the Community-Wide Standard. In the event such a standard is established, it may be amended by the District Declarant or District Association and may be enforced by the District Declarant, District Association or Community Association. Notwithstanding the foregoing, the ARC shall determine whether the District or any portion thereof, and all structures, parking areas, landscaping and other improvements located thereon are being maintained in a manner consistent with the Community-Wide Standard.

Section 6. Private Street Maintenance. All streets shown on the Plat as private shall be maintained and kept in good repair by the District Association in accordance with Article IV, Section 1 of this District Declaration. No governmental body, including, without

limitation, Brevard County shall be responsible for the maintenance, repair or improvement of any such private street. The District Association shall establish and maintain a reserve fund for the periodic maintenance, repair and replacement of such private streets and related improvements. In addition to the maintenance of private streets, the District Association may enter into an Agreement for the purchase, lease and/or maintenance of street lights to provide street light service to the District Property. The payments for the street lights under any such purchase, lease and/or maintenance agreement shall be common expenses which are budgeted for annually pursuant to Section 2 of Article VII hereinbelow.

Section 7. Maintenance of District Drainage System. A preliminary site plan of the District Property is attached to this District Declaration as Exhibit "D", attached hereto and made a part hereof (hereinafter referred to as the "District Plan"). The District Plan hereby identifies Stormwater Pond 1 shown on the District Plan as being part of the Master Drainage System (hereinafter referred to as the "Master System Stormwater Pond").

The maintenance and repair of the Master Drainage System shall be the responsibility of the Community Association. The remainder of the lakes, ponds and detention and retention areas that are shown on the District Plan shall be part of the District Drainage System (hereinafter collectively referred to as the "District System Stormwater Ponds"). Also included as part of the District Drainage System are (i) pipes and other structures which convey stormwater between the District System Stormwater Ponds, (ii) pipes and other structures which convey stormwater between the District System Stormwater Ponds to the Master Drainage System Stormwater Pond, and (iii) catchbasins and related stormwater facilities (including without limitation curbs, gutters and inlets) for any private streets maintained by the District Association. The District Association shall own and operate the District Drainage System. The District Drainage System shall also be part of the Area of Common Responsibility and as such shall be maintained and repaired by the District Association in accordance with Section 1 hereinabove of this Article IV. Such obligation of maintenance and repair shall include, without limitation, compliance with all terms and conditions set forth in the permit or permits issued with respect to the District Drainage System or any portion thereof by the St. Johns River Water Management District. The District shall be obligated to perform such maintenance and repair regardless of whether the Community Association is holder of or permittee under such permit or permits. The cost of the maintenance and repair of the District Drainage System shall be a Common Expense under this District Declaration.

Such obligation of maintenance and repair shall also include the maintenance and repair of littoral areas and upland portions of the District System Stormwater Ponds. Notwithstanding that the Master System Stormwater Pond is included as part of the Master Drainage System, the District Association shall also be responsible for maintenance with respect to the littoral areas and upland portions of the Master System Stormwater Ponds to the extent such areas and portions are adjacent to and contiguous with the boundary of any Unit, tract or right-of-way located within the District Property. The District Association's maintenance of littoral areas and upland portions of the District System Stormwater Ponds and the Master System Stormwater Pond shall include the control of immersed shoreline grasses, aquatic plants and cattails growing in littoral areas, the control of shoreline grasses and plants, and the repair of shoreline washouts.

The District Association shall perform such maintenance in a manner which maintains such littoral areas and upland portions in accordance with the Community-Wide Standard (as that term is defined in the Community Declaration).

Notwithstanding the provisions of this Section 7 of Article IV requiring the District Association to maintain the District Drainage System in accordance with all permit or permits issued with respect thereto by the St. Johns River Water Management District, in the event the District Association fails to perform its maintenance responsibility as required herein or by the St. Johns River Water Management District, the Community Association shall have the right to perform such maintenance and assess the cost thereof against all Units and Unplatted Parcels within the District as provided in the Community Declaration.

The Community Association is hereby granted a perpetual non-exclusive easement over the Master Drainage System (to the extent title thereto is not held by the Community Association with respect to any portion thereof) and over the District Drainage System for the purpose of operating, maintaining and repairing the same, together with a right of ingress and egress over, upon and across any tract which is a part of the Master Drainage System or the District Drainage System, or any Common Area adjacent to the Master Drainage System or the District Drainage System, at reasonable times and in a reasonable manner, for the purpose of effectuating the easement rights created under this Section 7 of Article IV. In addition, the Community Association and the District Association are each hereby granted a perpetual, non-exclusive easement for stormwater drainage and flow over and through the Master Drainage System and the District Drainage System, to the extent title thereto is not held by the Community Association or the District Association, as the case may be.

Section 8. Insurance. The District Association shall obtain all reasonable and customary property, casualty and liability insurance within the District with respect to such Areas of Common Responsibility in such amounts and under such terms and provisions as the District Association deems advisable, but in no event in an amount less than the replacement cost thereof. By virtue of taking title in the District, each Owner covenants and agrees with all other Owners in the District and with the District Association that each Owner shall carry casualty insurance with fire and extended coverage on the portions of the Unit and the structures constructed thereon not insured by the District Association. Each Owner further covenants and agrees that in the event of loss or damage to any structure comprising such Owner's Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction and otherwise in accordance with the provisions of this District Declaration.

By virtue of taking title in the District, each Owner covenants and agrees with all other Owners and with the District Association that each Owner shall continuously maintain a termite re-treatment and repair warranty covering the full replacement value of such Owner's Unit. Each Owner shall provide the District Association on demand with a true and complete copy of such warranty. In the event any Owner fails to adequately maintain such warranty, the District Association or any other Owner of a Unit in a building containing the defaulting Owner's Unit shall have the right to obtain such warranty at the defaulting Owner's expense and to conduct such inspections and treatments of the exterior and interior of such defaulting Owner's Unit necessary to obtain or maintain such warranty. The expense of any such warranty

shall be the obligation of the defaulting Owner and shall be levied against such Owner and his Unit as a special assessment. Nothing in the foregoing provision shall be construed as limiting the right of the District Association or any Owner of a Unit in a building containing the defaulting Owner's Unit to individually or collectively enforce the covenants and agreements with respect to each Owner's obligation to continuously maintain a termite re-treatment and repair warranty set forth hereinabove by any proceeding at law or in equity in accordance with Section 5 of Article VIII of this District Declaration and recover related costs, expenses and reasonable attorney's fees as provided therein.

Section 9. Party Walls.

(a) Ownership. The District is to be developed as attached single family residences, with the intention that a party wall separating two adjoining Units be constructed so that the midpoint of such party wall is located on the boundary line between the adjoining Units. Except as provided herein, each Owner shall be deemed the sole owner of that portion of any party wall or roof constructed solely upon his Unit to the center line of such party wall or where such roof overlaps or connects with the roof of another adjacent Unit. If, however, due to conditions in the field or other causes, the midpoint of such party wall is not so located, then the Owner of the Unit upon which the party wall encroaches shall be deemed to have conveyed a perpetual easement to the adjoining Owner for any encroachment of such improvements upon the lot. In addition, each Owner shall be deemed to have conveyed to the Owner of an adjoining Unit easements of support and for utilities in and through such party wall. In addition, each Owner is granted a perpetual easement over that portion of an adjacent Unit on which such party wall or roof is constructed solely for the purpose of the maintenance, repair and use of said party wall or roof as a common structural support or protector for each Unit sharing a party wall or roof area.

(b) Roofs of Attached Units. In order to maintain a uniform appearance and to maintain the high standards of maintenance within the District, it shall be the duty and obligation of the District Association to undertake the periodic re-roofing or other repair of the roof of each Unit. If deemed necessary or appropriate by the District Association, the District Association may also pressure clean the roof of a Unit and repair or replace gutters and downspouts. The District Association shall have the sole discretion to determine the time at which such Unit's exterior roof maintenance shall take place, and the manner, materials and color to be used.

(c) Party Walls/Repair and Maintenance Obligations. Each party wall shall be the joint obligation of each of the Owners of the adjoining Units (hereinafter referred to as the "Party Wall Co-Owners"). Each Party Wall Co-Owner shall be responsible for the repair and maintenance of the surface portion of the party wall which is contained within an Owner's Unit. Any repairs, maintenance and the like, including repairs or maintenance to the paint, plaster or wall board of the surface portion of the party wall which is contained within an Owner's Unit shall be the obligation of that Owner. Each Party Wall Co-Owner shall have the right to use the side of the party wall within the Owner's Unit in any lawful manner, including attaching structural or finishing materials to it; however, a party shall not damage the structure of, or cause or allow any penetration of, any party wall. The Owners shall be jointly responsible for the

structural elements of the party wall (i.e., the repair, rebuilding or maintenance of concrete block, rebar, mortar tie beam and all other elements of the party wall).

(d) Party Walls/Damage and Repairs. In the event of damage or destruction of the party wall from any cause, other than the negligence of either Party Wall Co-Owner, the Party Wall Co-Owners shall repair or rebuild the party wall on the same spot and on the same line, of the same size, of the same or similar material and of like quality with the present party wall, and the cost of such repairs or replacement shall be shared equally between the Party Wall Co-Owners. Each Party Wall Co-Owner, its successors and assigns, shall have the right to the use of the party wall so repaired or rebuilt. There shall be no subrogation or contribution between such Owners for the negligence or negligent acts of one of the Party Wall Co-Owners where such damage is fully covered by insurance and to the extent of such insurance coverage. To the extent that it is not covered by insurance, the negligent Party Wall Co-Owner shall bear the cost. If there is a disagreement between the Party Wall Co-Owners as to any matters provided for in this Article, which cannot be resolved between the Owners, then any repair, rebuilding or replacement required to be done may be done by the District Association, and the costs thereof shall be assessed by the District Association as a Special Assessment against each of the Party Wall Co-Owners, and said assessments shall remain a lien until paid. This provision is not intended to abrogate or supersede any legal or equitable rights or remedies which the non-negligent Party Wall Co-Owner may have against the negligent Party Wall Co-Owner.

(e) Easement; Notice of Party Wall Damage. The District Association shall have the right to enter into any Unit without notice on an emergency basis in the event such entry is necessary to prevent damage to any portion of the District Property or to secure the safety of any of its residents. Notwithstanding, nothing herein shall be deemed to obligate the District Association to undertake any such efforts. In addition, each Party Wall Co-Owner hereby grants to its respective Party Wall Co-Owner, its successors and assigns, a perpetual non-exclusive easement and right of entry over and across their respective Unit for the purpose of performing the maintenance, repair, and, if required, replacement, provided that any such easement is exercised after notice and during reasonable hours. Repairs and reconstruction of the party wall shall be undertaken wherever a condition exists which may result in damage or injury to person or property if repair or reconstruction work is not undertaken. Upon discovering the possibility of damage or destruction, a Party Wall Co-Owner shall notify the other Party Wall Co-Owner in writing of the nature of the damage, the work required to remedy the situation, and the estimated cost of the repair or reconstruction (the "Party Wall Repair Notice"). The other Party Wall Co-Owner shall then have twenty (20) days from the receipt of the Party Wall Repair Notice either to object to the repairs or reconstruction or to pay the Party Wall Co-Owner's share of the cost of the work. However, in the event of an emergency (i.e., a condition that is immediately threatening the safety of persons or property), the Party Wall Repair Notice shall specify that an emergency exists and the other Party Wall Co-Owner shall then have five (5) days from receipt of the Party Wall Repair Notice to either object to the repairs or reconstruction or to pay its share of the cost of the work.

(f) Party Walls/Negligence and Insurance. If a Party Wall Co-Owner's negligence shall cause damage to or destruction of a party wall, the negligent Party Wall Co-Owner shall bear the entire cost of repair, reconstruction or replacement. Each Unit Owner agrees to indemnify the District Declarant, the District Association and the other Party Wall Co-

Owner for injury or personal or property damage, when such injury or damage shall result from, arise out of, or be attributable to its failure to perform or comply with its duties and obligations under this Article of this District Declaration. In addition to the provisions of Section 8 hereinabove, each Unit Owner shall be required to obtain and maintain broad form property insurance for its respective Unit (including without limitation its party walls) in such amount equal to the full replacement value of the Unit (exclusive of the cost of excavation and foundations and a reasonable and customary deductible). The casualty insurance policies shall, if the same are available without any increase in the premium for the insurance coverage, contain waivers of subrogation and waivers of any defense based on co-insurance or of pro rata reduction of liability or of invalidity arising from any acts of the insured. The District Association may elect to require duplicate originals of a Unit Owner's casualty insurance policy and of all renewals of such insurance, together with proof of payment of premiums, to be delivered to the District Association not less than ten (10) days prior to the expiration of the then current policies. No Unit Owner shall do or permit any act or thing to be done in or to the party wall which is contrary to law or which invalidates or is in conflict with the Unit Owner's casualty insurance policy.

ARTICLE V Use Restrictions

The District Property shall be used only for such purposes as are permitted in the Development Order and other applicable Development Approvals, subject to such further restrictions as may be set forth in this District Declaration, any Supplemental Declaration or Annexation Agreement, and the Community Declaration or other covenants or deed restrictions pertaining thereto. No changes in the uses and intensities of uses permitted in the Development Order (and other applicable Development Approvals) pertaining to the District Property may be made, nor may any application therefor be made to any governmental authority, without the prior written approval of the District Declarant, as long as District Declarant owns any land within the District Property or which may be annexed thereto.

The District Property shall also be subject to such further restrictions as District Declarant may impose under and by virtue of deeds to Owners. Restrictions identified in any such deed as being enforceable by the District Association shall be enforceable by the District Association, acting through the Board of Directors, in the same manner as if such restrictions were set forth in this District Declaration. In addition, the Community Association, acting through its board of directors, shall have standing and power to enforce restrictions and standards imposed under the District Declaration and to enforce deed restrictions on the District Property which may be enforced by the District Association.

The District Association, acting through its Board of Directors, shall have the authority to make, enforce, amend and delete standards and restrictions governing use of the District Property in addition to those contained herein, and to impose reasonable user fees for use of the Common Area, provided however, should such standards and restrictions be in conflict with or less stringent than those contained in the Community Declaration, then the terms and conditions of the Community Declaration shall control. Sanctions may include reasonable monetary fines which may be secured by a lien upon an Owner's Unit or Unplatted Parcel in the same manner as delinquent Assessments, all as more particularly set forth in the Bylaws. During such time as District Declarant owns any land which is subject to the District Declaration, any

standards and restrictions governing the use of the District Property made, amended or deleted, shall not apply to the District Declarant and that portion of the District Property owned by it unless District Declarant consents thereto.

The Board of Directors may delegate its power and authority to enforce restrictions pursuant to this Article V to a Covenants Committee as provided in the Bylaws.

Section 1. Water and Sewage Facilities. No individual potable water supply system or individual sewage disposal system shall be permitted for any portion of the District Property.

Section 2. Landscaping. Landscaping on any portion of the District Property and stormwater drainage and retention features located on and serving only a Unit or Unplatted Parcel (and not a part of the Master Drainage System or District Drainage System) shall be consistent with the Landscape Design Criteria for the District as may be promulgated and amended by the ARC from time to time. Declarant hereby specifically provides that the Landscape Design Criteria may be amended by the ARC from time to time, in whole or in part, by the ARC without necessity of recording same in the public records, and that such amendment shall be effective from and on the date of posting on the District Property. Neither this Section 2 of Article V nor the Landscape Design Criteria for the District shall prohibit or be construed to prohibit "xeriscape" or "Florida-friendly" landscaping on any Unit.

Section 3. Vehicles and Repair. No inoperative cars, motorcycles, trucks or other types of vehicles shall be allowed to remain on any portion of the District Property for a continuous period in excess of forty-eight (48) hours; provided, however, this provision shall not apply to any such vehicle being kept in an enclosed garage and not visible from the street or any portion of the District Property or Properties.

Section 4. Storage. Unless specially approved by the ARC, no materials, supplies or equipment (except during the construction of improvements) shall be stored on any portion of the District Property, except inside a residence and the garage. No storage buildings or sheds are permitted on any Unit or Unplatted Parcel. The foregoing provisions shall not apply to the Community Declarant or the District Declarant.

Section 5. Street Trees. No trees may be planted on any Unit within the area between the sidewalk constructed on such Unit and the street adjacent to such Unit.

Section 6. Signs. No sign of any kind shall be erected on any portion of the District Property without the prior written consent of the Board of Directors and the ARC. Such restriction on signage shall not apply to the District Declarant as long as the District Declarant owns property within the District Property.

Section 7. Parking and Garages. Owners and their guests or invitees shall park only in their garages or in the driveways serving their Units or Unplatted Parcels or permitted spaces or designated areas on Common Area as may be directed by the Board of Directors, in which parking may or may not be assigned, subject to such reasonable rules and regulations as the Board of Directors may adopt. Owners and their guests or invitees shall not park in the

streets, or on yards, medians or the Common Area (unless the District Association designates such Common Area for parking) or over sidewalks. Notwithstanding anything in the preceding sentence to the contrary, cars may be parked in streets for occasional parties and similar events as long as no driveways are blocked. All commercial vehicles, recreational vehicles, buses, trucks, pick-up trucks (other than unmodified stock pick-up trucks and so-called sport utility vehicles intended for personal or family use, provided no commercial signage, lettering or logo is displayed on the exterior of the vehicles or is otherwise visible from the exterior of the vehicles), vans (other than mini-vans and full-sized vans intended for personal or family use, provided no commercial signage, lettering or logo is displayed on the exterior of the vehicles or is otherwise visible from the exterior of the vehicles), tractors, mobile homes, trailers (either with or without wheels), campers, camper trailers, boats and other watercraft, and boat trailers must be parked entirely within a garage unless otherwise permitted by the Board of Directors. Storage of any of the foregoing in the driveway of a Unit or Unplatted Parcel shall not be permitted unless otherwise permitted by the District Association. In addition, any vehicle of any kind that is too large to be stored in the garage of a Unit may not be parked in the driveway of such Unit. Notwithstanding anything in the preceding two sentences to the contrary, a recreational vehicle, boat and/or boat trailer may be kept within the driveway of a Unit for up to twenty-four (24) hours for cleaning, loading and/or unloading purposes, subject to such guidelines and restrictions as may be adopted by the Board of Directors from time to time with respect thereto. Each Unit shall have at least a two car garage or if permitted by the Board of Directors, a similar space for permanent parking of two cars. No garage may be altered in such a manner that the number of automobiles which may reasonably be parked therein after the alteration is less than the number of automobiles that could have reasonably been parked in the garage as originally constructed. Garage doors shall be closed except when reasonably necessary for use of garage. Nothing in this Section shall be construed to prohibit the parking of any sheriff's office, police department or highway patrol car or van in a driveway in the same manner as provided hereinabove for private noncommercial vehicles. (This Section shall not apply to construction or similar vehicles or construction trailers which may be parked on an Unplatted Parcel or a Unit, but only during such reasonable period of time within which construction of improvements thereon is occurring.)

Section 8. Animals and Pets. No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any portion of the District Property, with the exception of dogs, cats, or other usual and common household pets, which may be kept or permitted in a reasonable number so as not to create a nuisance as determined by the District Association, provided same are not bred for commercial use; and provided, however, those pets which are permitted shall be sheltered inside structures. All dogs, cats and other household pets allowed hereunder must be leashed when outside and shall not be permitted to run loose. No pet or animal shall be "tied out" in a yard or otherwise left unattended in a yard. Every person walking a pet shall clean up all matter created by the pet. Each Owner shall be responsible for the activities of such Owner's pets. A determination by the District Association that a pet is a nuisance shall be conclusive and binding on all parties. When notice of removal of any pet is given by the District Association, the pet shall be removed permanently from the District within forty-eight (48) hours of the giving of the notice.

Section 9. Nuisance. No portion of the District Property shall be used, in whole or in part, for the storage of any property or thing that will cause such portion of the District Property to appear to be in an unclean, unsightly, unhealthy or unkempt condition or that will be

obnoxious to the eye; nor shall any substance, thing, or material be kept upon, nor shall any use or practice be allowed upon any portion of the District Property that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of the District Property or the Properties, or which shall be a source of material and unreasonable annoyance or discomfort to Owners or their tenants or invitees, or which materially and unreasonably interferes with the peaceful possession and enjoyment of the District Property. No illegal, noxious, or offensive activity shall be carried on or conducted upon any portion of the District Property. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices which might tend to cause disorderly, unsightly, or unkempt conditions, shall occur only within a garage or other similar walled interior area of the District Property and shall not be visible to view. Notwithstanding the foregoing, construction activity which occurs on the District Property in accordance with the terms of the District Declaration and the Community Declaration shall be permitted. No firearms may be discharged within the District Property.

Section 10. Antennas; Satellite Dishes. No exterior television or radio antennas, aerials or satellite dishes of any kind shall be placed, allowed, or maintained upon any portion of the District Property, including any Unit or Unplatted Parcel unless it is installed in accordance with the policy statement approved and issued by the ARC as the same may be amended from time-to-time. The ARC may require, among other things, that all such improvements be screened so that they are not visible from adjacent Units, or from adjacent streets or Common Area. No Owner shall operate any equipment or device which will interfere with the radio or television reception of others.

Section 11. Clotheslines, Garbage Cans, Tanks and External Equipment. All clotheslines, garbage cans, above-ground tanks, air-conditioning compressors, pool pumps and other similar items of external equipment shall be located or screened, by vegetation or shadow-box enclosures approved by the ARC, so as to be concealed from view from neighboring Units, Unplatted Parcels or portions of the District Property or Properties.

Section 12. Swimming Pools. No swimming pools or so-called "hot tubs" shall be erected, constructed or installed on any portion of the District Property (except upon the Common Area).

Section 13. Tents, Trailers and Temporary Structures. Owners or occupants shall not place upon any portion of the District Property, any tent or trailer or any structure of a temporary nature, without obtaining the prior written approval from the District Association and the ARC. Provided, however, notwithstanding anything herein to the contrary, an Owner may erect, without the prior approval of the Board of Directors, a tent not exceeding twelve feet (12') in width by twelve feet (12') in length on such Owner's Unit for purposes of a private party or function for a period of time not to exceed twenty-four (24) hours, provided such right to erect a tent may not be exercised more than twice during each calendar quarter.

Section 14. Drainage. All storm water from any portion of the District Property shall only drain into or onto contiguous or adjacent street rights-of-way, drainage easements, retention areas, Common Area or Areas of Common Responsibility in the manner approved by

the owner and operator of the Master Drainage System or the District Drainage System, as the case may be, if such drainage is part of the Master Drainage System or the District Drainage System, respectively. If such drainage is not to be a part of the Master Drainage System or the District Drainage System, then the manner of its drainage shall be approved by the ARC. No Owner (other than the District Declarant) shall be permitted to alter the grade of or original drainage plan for any portion of the District Property, or change the direction of, obstruct, alter or retard the flow of surface water drainage, nor to erect, place or maintain any structure which shall in any way obstruct drainage devices or facilities or impede their efficient operation unless approved by the ARC and the owner and operator of the Master Drainage System or the District Drainage System, as the case may be, if such drainage is part of the Master Drainage System or the District Drainage System, respectively. Without limiting the generality of the preceding sentence, to the extent any drainage swale or swales or portions thereof have been constructed or developed on any Lot for the purpose of managing and containing the flow of stormwater, the Owner of such Lot shall be responsible for the maintenance, operation and repair of such swale or swales or portions thereof on the Owner's Lot. For purposes of the preceding sentence, the term "maintenance, operation and repair" shall mean the exercise of practices, such as mowing and erosion repair, which allow the swales to provide drainage, water storage, conveyance or other stormwater management functions as permitted by the St. Johns River Water Management District. Filling, excavation, construction of fences or otherwise obstructing the flow of stormwater in swales is prohibited. No alteration of any drainage swale shall be authorized unless expressly permitted by the St. Johns River Water Management District. Any damage to any drainage swale, whether occasioned by natural or man-made cause, shall be repaired and the drainage swale returned to its former condition by the Owner or Owners of the Lot or Lots on which the swale is located. No modification to the District Drainage System shall be made without the prior written approval of the owner and operator of the Master Drainage System. No Person shall alter the drainage flow of either the Master Drainage System or the District Drainage System, including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District.

Section 15. Lakes, Ponds, Retention and Other Water Areas; Hedging and Landscaping. Units and Unplatted Parcels shall not have riparian rights to lakes, ponds, retention and other water areas. Access to and use of lakes, ponds, retention and other water areas within the District Property shall be governed and controlled by the owner and operator of the Master Drainage System or the District Drainage System, respectively. This shall not be deemed to imply that any Owners will have access to or rights to use lakes, ponds, retention or other water areas within the District Property. Private docks and other structures or improvements within lakes, ponds, retention and other water areas within the District Property shall not be permitted. Except as may otherwise be specifically approved in advance in writing by the ARC, no Owner shall place or erect any statue, artwork, sculpture, figure, yard ornament or decoration of any type or material on any portion of the District Property which borders any lake, pond, retention or other water area. Landscaping and hedging on portions of the District Property which border any lakes, ponds, retention and other water areas, shall not be constructed, planted or installed, if permitted at all, in such a manner so as to materially obstruct the view of any of the foregoing as determined by the ARC. The owner and operator of the Master Drainage System or the District Drainage System, as the case may be, may establish rules and regulations relevant to access and use of lakes, ponds, retention and other water areas within the District Property for the limited purposes of fishing and the use of lake slopes. To the extent the rules

and regulations of the owner of the Master Drainage System or the District Drainage System allow access to or use of lakes, ponds, retention or other water areas, such use shall be at the risk of the Person undertaking such activity, and there shall be no obligation by the District Declarant or any other party to provide supervisory personnel or lifeguards. At such time as District Declarant no longer owns any property which is subject to this District Declaration or which can be annexed to the District Property, or at such earlier time as District Declarant in its sole discretion may determine, the rights reserved to District Declarant in this Section shall become rights of the District Association, to be exercised by its Board of Directors. BY ACCEPTANCE OF A DEED TO A HOME OR PARCEL, EACH OWNER ACKNOWLEDGES THAT THE WATER LEVELS OF ALL LAKES AND WATER BODIES MAY VARY. THERE IS NO GUARANTEE BY COMMUNITY DECLARANT, THE COMMUNITY ASSOCIATION, DISTRICT DECLARANT OR THE DISTRICT ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME.

Section 16. Walls, Fences and Mailboxes. No fences or walls are permitted anywhere in the District Property unless approved in advance in writing by the ARC and constructed in strict accordance with fence guidelines approved and issued by the ARC. Any fence permitted in the District Property may not exceed the maximum height of six (6) feet, and must be constructed in a manner and according to specifications approved by the ARC. No mail box of any kind shall be erected on any portion of the District Property unless approved in advance in writing by the ARC, and unless constructed according to a standard design as determined by the ARC. District Declarant reserves the right to require cluster or central mailbox systems in the District Property.

Section 17. No Alteration without ARC Approval. No alteration of the Unit or Unplatted Parcel is permitted, nor are aluminum porches, additions or appendages to or repainting of the improvements originally approved by the ARC for the Unit or Unplatted Parcel allowed, without the prior written approval of the ARC.

Section 18. Motorized Vehicles. Motorized vehicles (including without limitation golf carts and motorized scooters) shall not be used on the sidewalks, pathways or the Common Area (unless the applicable portion of the Common Area has been specifically designated for use by motorized vehicles by Board of Directors and in such case only to the extent authorized by the Board of Directors). In no event shall any person operate a motorized vehicle anywhere within the District Property except in accordance with rules and regulations promulgated by the Board of Directors. Any permitted use of motorized vehicles within the District Property shall be at the sole risk of operator thereof and no action shall be made against the District Association in relation to personal injury or property damage resulting from such use, and each Owner who uses a motorized vehicle, or permits the same to be used by his family, guests, invitees, tenants or agents, agrees to indemnify the District Association from any claim, loss damage, cost or expense resulting from use of any motorized vehicle by the Owner, his family, guests, invitees, tenants and agents.

Section 19. Cable Television System. Each Unit or Unplatted Parcel shall be wired for cable television service in accordance with the Planning and Design Criteria.

Section 20. Community-Wide Standard. The District Property shall comply with the Community-Wide Standard, the terms and conditions of the Community Declaration, and the Planning and Design Criteria.

Section 21. Development Order. Each Owner shall comply, at its expense, with the requirements of the Development Order as it relates to the Unit or Unplatted Parcel owned by it and each Owner shall otherwise cooperate with the Community Declarant, District Declarant, Community Association and District Association in their efforts to comply with the provisions of the Development Order.

Section 22. Occupants Bound. All provisions of the District Declaration and of any rules and regulations or use restrictions promulgated pursuant thereto which govern the conduct of Owners, shall also apply to all occupants of any portion of the District Property.

Section 23. Subdivision of Portion of the District Property. As long as District Declarant owns any land which is subject to this Declaration or which under the terms of this District Declaration could be annexed to the District Property, no portion of the District Property shall be platted, replatted, subdivided or its boundary lines changed, nor shall any portion of a Unit or Unplatted Parcel, less than the whole thereof, be sold, conveyed or transferred except with the prior written approval of the District Declarant, which approval may be granted or withheld in the sole discretion of District Declarant. Thereafter, no portion of the District Property shall be platted, replatted, subdivided or its boundary lines changed, nor shall any portion of a Unit or Unplatted Parcel, less than the whole thereof, be sold, conveyed or transferred except with the prior written approval of the District Association. Any such subdivision, boundary line change, platting or replatting shall comply in all respects with applicable subdivision and zoning regulations, the Development Order and the Development Approvals. District Declarant, however, hereby expressly reserves the right to plat, replat, subdivide or change the boundary lines of any portion of the District Property owned by the District Declarant and the right to sell, convey or transfer any portion of a Unit or Unplatted Parcel less than the whole thereof, without notice to or the approval or consent of any Person being required.

Section 24. Garage Sales. No garage or yard sales of any kind shall be conducted, nor shall any signage related to any garage or yard sales be erected, in any manner except as specifically provided by rules and regulations promulgated by the Board of Directors, which rules and regulations shall address the location, frequency, scope, hours, placement of signs and all other matters relating to garage or yard sales and signage or advertising thereof.

Section 25. Artificial Vegetation. No artificial grass, plants or other artificial vegetation, or rocks or other landscape devices, shall be placed or maintained on the exterior portion of any Unit, unless approved by the ARC.

Section 26. Casualty Destruction to Improvements. In the event that a Unit is damaged or destroyed by casualty loss or other loss, then within a reasonable period of time after such incident, the Owner thereof shall either commence to rebuild or repair the damaged improvements and diligently continue such rebuilding or repairing until completion, or properly clear the damaged improvements and rebuild the same as approved by the ARC. As to any such

reconstruction of damaged or destroyed improvements, the same shall only be replaced as approved by the ARC.

Section 27. Decorations. No decorative objects including, but not limited to, birdbaths, light fixtures, sculptures, statues, weather vanes, or flagpoles shall be installed or placed within or upon any portion of any Unit or Unplatted Parcel without the prior written approval of the ARC. This Section 27 shall not be applicable to temporary decorations for holiday purposes (ie, Fourth of July, Halloween or Christmas). This Section 27 of Article V does not prohibit and shall not be construed to prohibit the display of one portable, removable United States flag by a Unit Owner, provided such flag is flown in a respectable manner in accordance with applicable federal law and in accordance with any rules and regulations with respect to the display of flags adopted by the Board of Directors.

Section 28. Hurricane Shutters. Any hurricane shutters, security shutters or other protective devices visible from outside a Unit shall be of a type as approved by the ARC. Panel, accordion and roll-up style hurricane shutters and security shutters may only be installed on a Unit and utilized strictly in accordance with requirements set forth in the applicable policy statement approved and issued by the ARC, as the same may be amended from time to time.

Section 29. Substances. No inflammable, combustible or explosive fuel, fluid, chemical, hazardous waste, or substance shall be kept on any portion of the District Property or within any Unit, except those which are required for normal household use.

Section 30. Firearms. The discharge of firearms within the District Property is prohibited. The term "firearms" includes "B-B" guns, pellet guns, and other firearms of all types, regardless of size.

Section 31. Visibility on Corners. Notwithstanding anything to the contrary in these restrictions, no obstruction to visibility at street intersections shall be permitted and such visibility clearances shall be maintained as required by the ARC and governmental agencies. No vehicles, objects, fences, walls, hedges, shrubs or other planting shall be placed or permitted on a corner Lot where such obstruction would create a traffic problem as determined by the Board of Directors.

Section 32. Mitigation and Conservation Areas. The District Property may contain or be adjacent to conservation areas and/or mitigation areas. No Owner or other person shall take any action or enter onto such areas so as to adversely affect or alter the same. Such areas are to be maintained by the Community Association in their natural state. No Owner shall have the right, under any circumstances, to disturb or alter such areas.

Section 33. Window Treatments. Window treatments shall consist of drapery, blinds, decorative panels, or other tasteful window covering, and no newspaper, aluminum foil, sheets or other temporary window treatments are permitted, except for periods not exceeding thirty (30) days after an Owner or tenant first moves into a Unit or when permanent window treatments are being cleaned or repaired. All interior window coverings shall have a non-reflective opaque backing. No awnings, canopies or decorative shutters shall be affixed to the

exterior of a Unit without the prior written approval of the ARC. No reflective tinting or mirror finishes on windows shall be permitted unless approved by the ARC.

Section 34. Landscaping in Common Area. No trees, hedges, landscaping or yard ornament or decoration of any type or material whatsoever may be planted or installed on any portion of the Common Area by any Owner or other occupant of the District Property.

Section 35. Noise. No Owner shall make or permit any disturbing noises within the District, including, without limitation, within such Owner's Unit, or permit any conduct that will interfere with the rights, comforts or conveniences of other Owners. No Owner shall play or permit to be played any musical instrument or operate or permit to be operated any television, radio or sound amplifier in a Unit in such a manner as to disturb or annoy other Owners.

Section 36. Roof Penetrations, Fixtures and Decorations. No Unit Owner shall perform or authorize any roof penetrations or attachments (including, without limitation, skylights) or place, affix, or display any attachment, fixture, decorative item or ornament of any kind upon any portion of a roof which is deemed a part of the Area of Common Responsibility without the prior written consent of the District Association and ARC.

Section 37. Residential Use Only. Except as used by the District Declarant in connection with the sale and marketing of Units in the District, each Unit shall be used for residential purposes only; provided (subject to Section 38 hereinbelow) that occupations carried on in the Unit are permitted only if such use is incidental to the Unit's primary residential use; provided further that the Unit Owners who pursue such incidental occupational use of their Unit shall have no employees, customers or clients at the Unit and shall obtain, if required, prior approval from all authorities having jurisdiction over the use of the Unit. The use of a portion of a Unit for a home office shall be deemed a use which is incidental to the Unit's primary residential use.

Section 38. Prohibited Uses. No commercial, industrial, recreational or professional activity not permitted by the present zoning or other applicable laws or ordinances shall be pursued on any Unit, at any time (the foregoing prohibition shall not apply to the use of Units as models or as part of a model center by a builder or builders). If zoning regulations change to expand the scope of activities that Owners may pursue lawfully within the Unit, an Owner may apply to the Board of Directors for approval to commence the permitted use of his Unit. Each application shall be considered by the Board of Directors on an individual basis. Once the Board of Directors has given its approval to a particular use of a Unit, it may not revoke the approval as long as the nature and scope of the approved use remains unchanged. No Unit Owner shall permit his Unit to be used or occupied for any prohibited purpose.

Section 39. Disputes as to Use. If there is any dispute as to whether the use of any portion of the District Property complies with this District Declaration, such dispute shall, prior to the expiration of the Class "B" Control Period, be decided by District Declarant, and thereafter by the District Association. A determination rendered by such party with respect to such dispute shall be final and binding on all persons concerned.

Section 40. Enforcement. In the event of the violation of or the failure to comply with the requirements of this Article, and the failure of the owner of the affected portion of the District Property within fourteen (14) days following written notice by the District Association of such violation or non-compliance and the nature thereof, to cure or remedy such violation, then the District Association or its duly appointed employees, agents or contractors, shall have the right, but not the obligation, and an easement and license to enter upon the affected portion of the District Property, without being guilty of any trespass therefor, for the purpose of curing or eliminating such violation, all at the sole expense of the owner thereof. Such costs and expenses, together with an overhead expense to the District Association of fifteen percent (15%) of the total amount thereof shall be payable by the owner of the affected portion of the District Property to the District Association within ten (10) days after written notice to the owner of the amount thereof, which amount shall become or be treated in the same manner as a Special Assessment levied against said portion of the District Property. The District Association may place a lien upon such portion of the District Property to recover such costs and expenses, as provided in Article VII hereof, and the District Association may seek all other legal and equitable remedies available to it. The District Association shall also have the right to levy fines against an Owner for the violation of or the failure to comply with the requirements of this Article, or exercise any other remedy available at law, as more particularly set forth in the Bylaws. Any rights of the District Association hereunder may also be exercised by the Community Association as further provided in this District Declaration.

ARTICLE VI

Annexation of Additional Property

Section 1. Annexation. As the owner thereof, or if not the owner, with the consent of the owner thereof, District Declarant shall have the unilateral right, privilege, and option, from time to time at any time, subject to any required approval by the Department of Housing and Urban Development and the Veterans Administration, to annex to the District Property any additional property (i) which is either abutting the District Property (including additions thereto), which shall include properties which would abut the District Property but for the existence of a road right-of-way, easement or other similar property grant separating it from the District Property, or (ii) which is so situated that its addition will be consistent with a uniform scheme of development as determined in the sole discretion of District Declarant. This right of annexation by District Declarant shall exist until District Declarant no longer owns any property within the District Property or within the additional property described above which may be the subject of annexation to the District Property. Such annexation shall be accomplished by filing in the public records of Brevard County, Florida an Annexation Agreement annexing such property so as to become part of the District Property and Exhibit "A", thereby submitting same to the terms of the District Declaration, which Annexation Agreement shall include the written consent of the Community Declarant thereto. Any such annexation shall be effective upon the filing for record of such Annexation Agreement unless otherwise provided therein. District Declarant or Community Declarant shall have the unilateral right to transfer to any other Person the said right, privilege, and option to annex additional property described herein reserved to District Declarant, provided that such transferee or assignee shall be the owner of at least a portion of the District Property or the additional property which may be the subject of annexation to the District Property, and that such transfer is memorialized in a written, recorded instrument executed by District Declarant. Nothing herein shall obligate District Declarant to annex

additional real property into the District Property, nor to continue with annexation, if and when it may be commenced.

Section 2. Residential District. The District Property and any additional property annexed by an Annexation Agreement as provided herein (thereby becoming part of the District Property), shall be a part of the District. The District may also include other property submitted to the terms and conditions of other declarations of covenants, conditions, easements, reservations and restrictions and not the District Declaration, provided however, the Community Declarant by written consent to such declaration designates such property as part of the District, and the governing association for such declaration shall be the District Association. The District Association shall be responsible for carrying out its rights and obligations as provided in any declarations pertaining to the District and may not decline to accept such rights and responsibilities as to any property contained within the District. The Units within the District shall be used for single family residential purposes unless otherwise specifically provided in this District Declaration, any Supplemental Declaration or other declaration of covenants, conditions, easements, reservations and restrictions pertaining to property within the District.

Section 3. Amendment. This Article shall not be amended without the written consent of District Declarant, and as to provisions pertaining to it, Community Declarant.

ARTICLE VII Assessments

Section 1. Creation of Assessments. There are hereby created Regular Assessments for Common Expenses as may from time to time specifically be authorized by the District Association to be commenced at the time and in the manner set forth in Section 5 of this Article. Except as may otherwise be provided in Article VII, Section 3, Assessments shall be levied on all Units or Unplatted Parcels according to the following formula:

(a) Assignment of Points.

(i) One (1) point per acre or portion thereof shall be assigned to an Unplatted Parcel (such that an unplatted parcel containing one and one-half (1 1/2) acres shall be assigned one and one-half (1 1/2) points).

(ii) For those portions of the District which are subject to a Plat or are otherwise designated by District Declarant as a Unit, each Unit shall be allocated one (1) point.

(b) Computation of Assessments.

The percentage of the total Assessment to be levied on a particular Unit or Unplatted Parcel shall be computed by dividing the total points assigned to that Unit or Unplatted Parcel subject to the Assessment by the total points for all Units and Unplatted Parcels in the District Property subject to the Assessment. The percentage of the total Assessment for each Unit or Unplatted Parcel subject to Assessment shall be computed annually by the District Association. The District Association may base such calculation upon a reasonable estimate by

the Board of Directors of the number of Units that will be added to the District Property during the applicable fiscal year. The Assessment for a Unit or Unplatted Parcel shall be arrived at by multiplying the total budget amount or total Assessment adopted by the Board of Directors (as it may be amended from time to time) by the applicable percentage of the total Assessment computed for such Unit or Unplatted Parcel. Upon annexation of additional property into the District Property, the assessment amount per Unit (or per acre or portion thereof of an Unplatted Parcel) shall remain unchanged for the fiscal year in which the annexation occurs and shall be prorated based upon the date of annexation for the additional property being annexed. In the immediately following fiscal year of the Association, Assessments shall be recomputed under the above formula with the additional annexed property being included in the calculation.

Special Assessments shall be levied as provided in Section 3 of this Article VII. Each Owner, by acceptance of a deed or recorded contract of sale to any portion of the District Property, is deemed to covenant and agree to pay these Assessments. All Assessments, together with interest at a rate not to exceed the highest rate allowed by Florida law as computed from the date the delinquency first occurs, penalties, late charges, processing or other fees, costs, expenses and reasonable attorneys' and paralegals' fees, shall be a charge on the land and shall be a continuing lien upon the Unit or Unplatted Parcel against which each Assessment is made.

All Assessments, together with interest, penalties, late charges, processing or other fees, costs, expenses and reasonable attorneys', and paralegals', fees, shall also be the personal obligation of the Person who was the Owner of such Unit or Unplatted Parcel at the time the Assessment arose, and his grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except as otherwise provided in Section 6 of this Article VII with respect to any first Mortgagee who obtains title to a Unit or Unplatted Parcel pursuant to the foreclosure of a first Mortgage or pursuant to a deed in lieu of foreclosure of a first Mortgage.

The District Association shall, upon demand at any time, furnish to any Owner liable for any type of Assessment a certificate in writing setting forth whether such Assessment has been paid as to any particular Unit or Unplatted Parcel. Such certificate shall be conclusive evidence of payment to the District Association of such Assessment therein stated to have been paid. The District Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the entire Assessment in the event of delinquent payments, including without limitation in the case of the Regular Assessment, acceleration of payment of the Regular Assessment for the entire fiscal year, and acceleration of payment of the full amount of any Special Assessment. The Board of Directors may in its sole discretion grant an option for the Regular Assessment to be paid in installments rather than annually in advance, subject to an additional processing fee and interest being due if such option is elected. Unless the Board of Directors otherwise provides, the Regular Assessment shall be paid annually.

No Owner may waive or otherwise exempt himself from liability for the Assessments provided for herein by non-use of the Common Area or abandonment of the Unit or

Unplatted Parcel against which the Assessments are made. The obligation to pay Assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of an Assessment or set-off against an Assessment shall be claimed or allowed by reason of any alleged failure of the District Association to take some action or perform some function required to be taken or performed by the District Association under this District Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the District Association, or from any action taken to comply with any law, ordinance, order or directive of any municipal or other governmental authority.

During the Class B Control Period, District Declarant may elect, in lieu of paying Assessments on its unsold Units or Unplatted Parcels, to pay the difference between the amount of Assessments levied on all Units and Unplatted Parcels subject to Assessment (except District Declarant's unsold Units or Unplatted Parcels) and the amount of actual expenditures required during the fiscal year by the District Association. However, District Declarant may exclude from such amount the portion of any reserves which would otherwise be attributable to Units or Unplatted Parcels owned by the District Declarant. This obligation may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these. Such services or materials may be furnished by any party designated by District Declarant and the value of such services shall be established by District Declarant or by a written statement of the service or material provider.

The District Association is specifically authorized to enter into subsidy contracts or contracts for "in-kind" contribution of services or materials or a combination of services and materials with District Declarant or other entities for the payment of some portion of the Common Expenses.

Section 2. Adoption of Budget. It shall be the duty of the Board of Directors to prepare and adopt a budget for the District Association covering the estimated Common Expenses during the coming fiscal year. The budget may include a capital contribution establishing a reserve fund taking into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost of each asset. The Board of Directors shall set the capital contribution, if any, in an amount sufficient to permit the District Association to meet the projected capital needs. The Board of Directors shall provide in accordance with the provisions of the Bylaws and applicable law notice of the adoption of the budget and the amount of the Regular Assessment to be levied against each Unit or Unplatted Parcel for the following fiscal year, calculated as provided in Section 1 of this Article VII. Such budget and Regular Assessment shall become effective upon adoption of the budget by the Board of Directors.

Notwithstanding the foregoing, however, in the event the Board of Directors fails for any reason so to adopt the budget for any year, then and until such time as the budget shall have been adopted by the Board of Directors, the budget in effect for the immediately preceding year shall, with an increase of ten percent (10%) or such lower amount as is determined by the Board of Directors, continue for the current year.

In the event that the Board of Directors shall determine during any fiscal year that the Regular Assessment established for such fiscal year is or will become inadequate or

insufficient to meet all Common Expenses and reserve amounts, if any, for such fiscal year for whatever reason, the Board of Directors shall be entitled to immediately determine the approximate amount of the deficiency or inadequacy of the Regular Assessment for such fiscal year, adopt an amendment to the budget to cover such deficiency, and levy supplemental or revised Regular Assessments for such fiscal year, calculated as provided in Section 1 of this Article VII. Such amendment to the budget and such supplemental or revised Regular Assessments shall become effective upon adoption by the Board of Directors. The Board of Directors shall furnish notice of such amendment to the budget and such supplemental or revised Regular Assessments in the same manner provided in the first paragraph of this Section.

Section 3. Special Assessments. In addition to the Regular Assessments authorized in Section 1 of this Article VII, the District Association may levy and collect a Special Assessment or Special Assessments from time to time for any purpose directly related to the discharge of the District Association's duties and obligations pursuant to this District Declaration. The obligation to pay Special Assessments shall be computed on the same basis as for Regular Assessments, with the total number of points limited to the number of points assigned to those Units or Unplatted Parcels to which the Special Assessment applies. Special Assessments shall be payable in such manner and at such times as determined by the Board of Directors, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board of Directors so determines. If the District Declarant is subsidizing the Regular Assessments as provided in Section 1 of this Article VII at the time of such Special Assessment, the District Declarant may determine in its discretion whether it desires to subsidize the Special Assessment in the same manner as provided in Section 1, or pay same based on the Units and Unplatted Parcels it owns.

After the District Association has mailed written notice to an Owner of a Unit or Unplatted Parcel at such Owner's last known address, specifying the noncompliance of such Unit or Unplatted Parcel with the terms and conditions of the District Declaration, the District Association may levy and collect a Special Assessment against any Owner individually and against such Owner's Unit or Unplatted Parcel to reimburse the District Association for costs and expenses incurred in bringing an Owner and his Unit or Unplatted Parcel into compliance with the provisions of this District Declaration (including without limitation an overhead expense of fifteen percent (15%) of the total costs and expenses payable to the District Association).

Section 4. Lien for Assessments. The District Association shall, at any time following the expiration of ten (10) days after the due date of an Assessment, be entitled to cause a claim of lien for such delinquent Assessments to be filed among the Public Records of Brevard County, Florida. Any such claim of lien shall, among other things, state and identify the Unit or Unplatted Parcel against which the lien is claimed, the name of the Owner of the Unit or Unplatted Parcel as provided in the books and records of the District Association, and the amount of the lien at the time of filing and such additional items as may be secured by the lien. Such lien may be executed by any officer of the District Association or by the management agent or attorney for the District Association. A copy of the claim of lien shall be furnished to the Owner against whose property the lien is filed. The payment of all Assessments established, made, levied and imposed by the District Association pursuant to this District Declaration, as well as any Assessments which may become due on or after the recordation of such lien together with interest, penalties, processing or other fees, late charges, costs, expenses, and reasonable

attorneys, and paralegals, fees associated with the collection thereof (whether suit be brought or not), shall be secured by the lien. Upon recording of a notice or claim of lien on any Unit or Unplatted Parcel, there shall exist a perfected lien for unpaid Assessments prior and superior to all other liens, except (a) all taxes, bonds, Assessments, and other levies which by law would be superior thereto; (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value; and (c) the lien for Community Association Assessments as provided in the Community Declaration. Such lien may be enforced by suit, judgment or foreclosure in the same manner mortgage liens are foreclosed.

The District Association shall have the power to bid for the Unit or Unplatted Parcel at foreclosure sale and to acquire and hold, lease, mortgage and convey the same. During the period in which a Unit or Unplatted Parcel is owned by the District Association following foreclosure: (a) no Assessment shall be assessed or levied on it; and (b) each other Unit or Unplatted Parcel shall be charged, in addition to its usual Assessment, its pro rata share, based upon its percentage of total Assessments in Section 1 of this Article VII, of the Assessment that would have been charged such Unit or Unplatted Parcel had it not been acquired by the District Association as a result of foreclosure.

Suit to recover a money judgment for unpaid Assessments, interest, penalties, processing or other fees, late charges, costs, expenses and reasonable attorneys and paralegals, fees shall be maintainable without foreclosing or waiving the lien securing the same. If there are multiple Owners of a Unit or Unplatted Parcel, each Owner shall be jointly and severally liable for any Assessments made against such Unit or Unplatted Parcel. The remedies herein provided for the collection and enforcement of Assessments and the foreclosure of the lien therefor shall be cumulative and not alternative and may be brought separately or simultaneously as separate counts in the same action.

Section 5. Date of Commencement of Assessments. The Assessments provided for herein shall commence as to each Unit or Unplatted Parcel on the first day of the first month following (i) the date of conveyance of the first Unit or Unplatted Parcel by District Declarant, or (ii) the effective date of the first budget, whichever is later. The first Regular Assessment shall be adjusted according to the number of days remaining in the fiscal year at the time Regular Assessments commence as to the Unit or Unplatted Parcel.

Section 6. Subordination of the Lien to First Mortgages. The lien of Assessments, including interest, penalties, processing or other, fees, late charges, costs, expenses and reasonable attorneys and paralegals fees, shall be subordinate to the lien of any first Mortgage upon any Unit or Unplatted Parcel. The sale or transfer of any Unit or Unplatted Parcel shall not affect the Assessment lien or the personal liability of the Owner of such Unit or Unplatted Parcel for payment of the Assessment. However, the sale or transfer of any Unit or Unplatted Parcel pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such Assessments (but not the personal liability of the prior Owner for said unpaid Assessments) as to payments which became due prior to such sale or transfer. No foreclosure, sale or transfer shall relieve the new Owner of such Unit or Unplatted Parcel from the personal obligation or liability for the payment of any Assessments (including the right to file a lien for nonpayment thereof) thereafter accruing or becoming due. When a Mortgagee holding

a first Mortgage of record or other purchaser of a Unit or Unplatted Parcel obtains title pursuant to remedies under the Mortgage, or by deed in lieu of foreclosure, such Mortgagee or purchaser, its successors and assigns shall not be liable for the share of the Common Expenses or Assessments of the District Association chargeable to such Unit or Unplatted Parcel which became due prior to the acquisition of title to such Unit or Unplatted Parcel by such acquirer. Such unpaid share of Common Expenses or Assessments shall be deemed to be Common Expenses collectible from Owners of all the Units or Unplatted Parcels, including such acquirer, its successors and assigns.

Section 7. Exempt Property. Notwithstanding anything herein to the contrary, the following property shall be exempt from the payment of Assessments:

- (a) All Common Area under this District Declaration or under the Community Declaration;
- (b) The Areas of Common Responsibility under this District Declaration or under the Community Declaration not within a Unit or an Unplatted Parcel;
- (c) All property dedicated to and accepted by any governmental authority or public utility, including, without limitation, public schools, public streets and public parks, if any;
- (d) All real property not within a Unit or an Unplatted Parcel which is part of the Master Drainage System; and
- (e) All parcels identified on any Plat as a "Tract".

Section 8. Billing of Assessments by the Community Association. In the event the Community Association bills the District Association for the combined Assessments due the Community Association with respect to Units and Unplatted Parcels within the District as provided in the Community Declaration, the District Association shall so notify the Owners by mailing, publishing in a newspaper of local circulation, or posting on the District Property (or providing such other notice as is required by applicable law), and such notice shall set forth the amount due from each Owner and the due date for such payment. Such Community Association Assessment shall be deemed an Assessment and may be collected by the District Association in the same manner as Assessments.

ARTICLE VIII
General Provisions

Section 1. Term. The covenants and restrictions of this District Declaration shall run with and bind the District Property, and shall inure to the benefit of and shall be enforceable by the District Declarant, Community Declarant, District Association, Community Association, and Owners, their respective successors and assigns, for a term of forty (40) years from the date this District Declaration is recorded in the Public Records of Brevard County, Florida, after which time they shall be automatically extended for successive periods of ten (10) years, unless an instrument in writing, signed by two-thirds of the then Owners, has been recorded within the

year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this District Declaration shall be modified or terminated as specified therein.

Section 2. Easements for Utilities and Other Services. There is hereby reserved unto District Declarant, so long as District Declarant owns any property which is subject to this District Declaration or which under the terms of this District Declaration could be annexed to the District Property, and its designees (which may include, without limitation, Brevard County, Florida, any other governmental entity or any utility service provider), blanket non-exclusive easements upon, across, over, and under all of the Common Area, all Tracts identified as such on any Plat, and, to the extent shown on the Plat, over other portions of the District Property, for ingress, egress, installing, replacing, repairing and maintaining cable television systems, master television antenna systems, fiber optic lines, security and similar systems, roads, walkways, bicycle pathways, lakes, ponds, wetlands, drainage systems, street lights, signage, and all utilities, including, but not limited to, water, sewer, surface water management systems, including the Master Drainage System, meter boxes, telephones, gas, and electricity; provided, the exercise of this easement shall not unreasonably interfere with the use of any Unit or Unplatted Parcel and, except in an emergency, entry into any Unit or Unplatted Parcel shall be made only after reasonable notice to the Owner or occupant thereof. Such reservation shall be subject to any specific approval right of the Community Declarant that may be required by the Community Declaration.

Section 3. Driveway and Parking Easements. Due to the nature and proximity of the Units to one another, certain adjoining Units may contain adjoining, attached or common driveways. In such instances, the Owner of each Unit shall be deemed to have conveyed a perpetual vehicular access easement to the Owner of the adjoining Unit to facilitate such Owner's access to his Unit from the adjacent road right-of-way. Notwithstanding anything herein to the contrary, such easement shall be solely for purposes of vehicular ingress and egress and shall not be for parking purposes. No vehicles shall be parked in such a manner as to interfere with or obstruct vehicular access to and from any adjoining Unit and its appurtenant driveway and garage.

So long as Declarant owns any Units within the District, Declarant reserves the right to assign to any Owner the exclusive use of any parking space not constituting a part of a Unit. Any such assignment shall be on such terms and subject to such conditions as the Declarant may impose from time to time. Any parking spaces not so assigned shall be available for use by any Owner on a first come, first serve basis. Parking of any vehicles within such parking spaces shall be subject to any and all other restrictions on parking contained within the District Declaration or Community Declaration or as otherwise promulgated by the District Association or the Community Association from time to time. At such time as Declarant no longer owns any Units within the District, the rights reserved in this Section 3 of Article VIII shall be exercised by the District Association.

Section 4. Future Easements. There is hereby reserved to District Declarant, together with the right to grant and transfer the same, the right, power and privilege to, at any time hereafter, grant to itself, the District Association, Brevard County or any other parties such other further and additional easements as may be reasonably necessary or desirable, in the sole

opinion and within the sole discretion of District Declarant, for the future orderly development of the District in accordance with the objects and purposes set forth in this District Declaration. It is expressly provided, however, that no such further or additional easement shall be granted or created over and upon any Unit or Unplatted Parcel pursuant to the provisions of this Section if any such easement shall unreasonably interfere with the presently contemplated or future use and development of that particular Unit or Unplatted Parcel. The easements contemplated by this Section may include, without limitation, such easements as may be required for utility, drainage, road right-of-way, signage and other purposes reasonably related to the orderly development of the District in accordance with the objects and purposes specified in this District Declaration. Such further or additional easements may be hereafter created, granted or reserved by District Declarant without the necessity for the consent or joinder of the Owner of the particular portion of the District Property over which such further or additional easement is granted or required, provided however, such creation, grant or reservation shall be subject to any approval of the Community Declarant that may be required by the Community Declaration.

Section 5. Enforcement. Every Owner and every occupant of a Unit or Unplatted Parcel, and every guest or invitee of any such person, shall comply strictly with the covenants, conditions, and restrictions set forth in the District Declaration and associated documents, and in the deed to the Unit or Unplatted Parcel, if any. The District Association, Community Association, Community Declarant, District Declarant, or an Owner shall have the right individually, collectively or in any combination to enforce the covenants, conditions, restrictions and other provisions of this District Declaration or seek such other relief as may be available as a result of a breach of such covenants, conditions, restrictions and other provisions of the District Declaration, by any proceeding at law or in equity. Failure to enforce any such provision shall in no event be deemed a waiver of the right to do so thereafter. The right to enforce the District Declaration shall include, without limitation, an action to recover sums due for damages or an action for injunctive relief, or both, maintainable by the District Association, Community Association, Community Declarant, District Declarant, or an Owner. In addition, the District Association or the Community Association may impose per diem penalties for failure to comply with this District Declaration and associated documents after notice of such noncompliance and the elapsing of a stated time period within which to cure such noncompliance as further provided in the Bylaws, with each day during which such noncompliance continues being considered a separate violation of the terms hereof. Such penalties shall be due and payable upon imposition and shall be secured, collected and otherwise treated in the same manner as Assessments. The Community Association or Community Declarant shall have the right, but not the obligation, to take all actions that the District Association or District Declarant might otherwise take under the provisions of this District Declaration, including the right to enforce the terms of the District Declaration. Costs, expenses and reasonable attorneys and paralegals, fees, whether suit be brought or not, including those resulting at all trial and appellate levels, incurred by the prevailing party in any action to enforce any provision of this District Declaration or to seek such other relief as may be available as a result of a breach of such covenants, conditions, restrictions and other provisions of the District Declaration, the Articles of Incorporation, Bylaws, and rules and regulations of the District Association, and any similar associated documents thereunder, or deed restrictions on the District Property, including without limitation actions to recover sums due for damages or actions for injunctive relief, shall be the personal obligation of the non-prevailing party.

Section 6. Indemnification. The District Association shall indemnify every officer, director, committee member and employee of the District Association against any and all costs and expenses, including reasonable attorneys, and paralegals, fees, reasonably incurred by or imposed upon such officer, director, committee member or employee in connection with any action, suit, or other proceeding, or appeal therefrom, (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he may be a party by reason of being or having been an officer, director, committee member or employee of the District Association. Such officers, directors, committee members and employees shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors of the District Association shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the District Association (except to the extent they may also be members of the District Association), and the District Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any such officer, director, committee member, or employee, or former officer, director, committee member or employee may be entitled. The District Association shall, as a Common Expense, maintain adequate general liability and officers, and directors, liability insurance to fund this obligation, if such insurance is reasonably available.

Section 7. Litigation. During the Class B Control Period, no judicial or administrative proceeding shall be commenced or prosecuted by the District Association unless approved by a majority of the Board of Directors. Thereafter, no judicial or administrative proceeding shall be commenced or prosecuted by the District Association unless approved by a vote of at least seventy-five percent (75%) of the Board of Directors. This Section shall not apply, however, to (a) actions brought by the District Association to enforce the provisions of this District Declaration or associated documents, or such other relief as may be available as a result of a breach of such covenants, conditions, restrictions and other provisions of the District Declaration or associated documents, or under any deed restrictions imposed on Units or Unplatted Parcels or other portions of the District Property, which shall include, without limitation, actions to recover sums due for damages or actions for injunctive relief (including, without limitation, the foreclosure of liens), (b) the imposition and collection of Assessments as provided in Article VII hereof or in the Community Declaration, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the District Association in proceedings instituted against it. This Section shall also not apply to the undertaking of any defense of the District Association in proceedings instituted against it. This Section shall not be amended unless such amendment is made by the District Declarant or after the Class B Control Period, is approved by the percentage of votes and pursuant to the same procedures necessary to institute proceedings as provided above.

Section 8. Cumulative Effect; Conflict. The covenants, restrictions, and provisions of this District Declaration shall be cumulative with those of (i) the Community Declaration and associated documents thereunder, and (ii) any deed restrictions; and the District Association may, but shall not be required to, enforce those documents described in (i) and (ii); provided, however, in the event of conflict between or among such covenants, restrictions and provisions of any articles of incorporation, bylaws, rules and regulations, policies, or practices

adopted or carried out pursuant thereto, those of the District Declaration and the District Association or any deed restrictions shall be subject and subordinate to those of the Community Declaration and the Community Association. The foregoing priorities shall apply, but not be limited to, the liens for Assessments created in favor of the Community Association.

Section 9. Severability. Invalidation of any one of the covenants or restrictions contained in this District Declaration by judgment or court order shall in no way affect the validity of any other provisions contained in the District Declaration, which shall remain in full force and effect.

Section 10. Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment for so long as such encroachment shall exist due to the unintentional placement of improvements as a result of minor inaccuracies in surveying, construction or reconstruction, or settling or shifting of the improvements constructed, reconstructed, or altered thereon (provided such improvements are constructed in accordance with the terms of the Community Declaration and this District Declaration).

Section 11. Development and Construction by District Declarant. Nothing set forth in this District Declaration shall be deemed, either expressly or impliedly, to limit the right of District Declarant to change, alter or amend its development plan or plans for the District Property or the Development Order or Development Approvals, subject to the terms and conditions of the Community Declaration, or to construct such improvements as the District Declarant deems advisable prior to the completion of the development of all of the District Property. District Declarant reserves the right to alter its development and construction plans and designs as it deems appropriate from time to time. Nothing in this District Declaration shall be construed to require District Declarant, its successors in interest or assigns to develop any of the District Property, or to develop it in any manner whatsoever.

Section 12. Construction Activity by District Declarant. Notwithstanding anything to the contrary set forth herein, Owners of Units and Unplatted Parcels (and owners of any other portion of the District Property) acknowledge that District Declarant may undertake certain construction or related activities for the purpose of marketing, sale, development and improvement of the District Property or portions thereof. As a result, certain portions of the District Property may experience disturbance or inconvenience from time to time from such activities, however no Owner (or owner of any other portion of the District Property) shall be entitled to seek relief against the District Declarant for any reason related thereto.

Section 13. Community Association Empowered to Enforce District Declaration. The Community Association is hereby authorized and empowered, but shall not be obligated so to act, to enforce the covenants, conditions and restrictions of the District Declaration or deed restrictions pertaining to the District Property, and shall have a reasonable right of entry for purposes thereof, provided however, the Community Association shall so notify the owner of such portion of the District Property in noncompliance, at its last known address, of such noncompliance. The Community Association shall also have the right to exercise any other rights granted to the District Association under the terms and conditions of this District Declaration, the Bylaws and the Articles of Incorporation. Any costs, expenses, reasonable attorneys' and paralegals' fees (as well as a fifteen percent (15%) administrative overhead factor)

incurred by the Community Association as provided hereunder shall be deemed a Special Assessment under Section 3 of Article VIII of the Community Declaration against such portion of the District Property in noncompliance, and shall be subject to collection and such other terms as provided therein and in Article VIII of the Community Declaration.

Section 14. Wildlife, Wetland Programs and Other Components of Development Order. The Community Declarant, District Declarant, Community Association or District Association, may in the future implement wildlife or wetland programs or other components of the Development Order, and this District Declaration may be amended by District Declarant, without the joinder or consent of any Person being required, for the purpose of defining and implementing such programs, and if deemed appropriate by District Declarant, for the purpose of further restricting the District Property in connection therewith, and for the purpose of defining certain responsibilities and obligations of the Community Association, District Association and Owners in regard to the District Property. BY ACCEPTANCE OF A DEED, EACH OWNER ACKNOWLEDGES THAT THE DISTRICT PROPERTY MAY CONTAIN WILDLIFE, SUCH AS ALLIGATORS, RACOONS, SNAKES, SNAPPING TURTLES, DUCKS, DEER, SWINE, TURKEY AND FOXES. COMMUNITY DECLARANT, DISTRICT DECLARANT, THE DISTRICT ASSOCIATION AND THE COMMUNITY ASSOCIATION SHALL HAVE NO RESPONSIBILITY FOR MONITORING SUCH WILDLIFE EXCEPT AS MAY BE REQUIRED UNDER THE DEVELOPMENT ORDER, AND THEY HAVE NO RESPONSIBILITY TO NOTIFY OWNERS OR OTHER PERSONS OF THE PRESENCE OF SUCH WILDLIFE. EACH OWNER, AND THEIR FAMILIES, GUESTS AND OTHER INVITEES ARE RESPONSIBLE FOR THEIR OWN SAFETY.

Section 15. ARC Approval. As provided in Article V of the Community Declaration, Units and Unplatted Parcels are subject to certain restrictions and must obtain certain approvals with respect to improvements, alterations or other modifications to be made thereto. Owners of Units or Unplatted Parcels shall be responsible for complying in all respects with the Community Declaration, including without limitation the architectural review process provided for in Article V of the Community Declaration.

Section 16. Enforcement by St. Johns River Water Management District. The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in the District Declaration which relate to the operation, maintenance and repair of the District Drainage System.

Section 17. Termination of Association. In the event of any termination or dissolution of the District Association, the responsibility for the operation, maintenance and repair of the District Drainage System must be transferred to an entity which would comply with Rule 40C-42.027, Florida Administrative Code (or any successor rule or regulation), and be approved by the St. Johns River Water Management District prior to such termination or dissolution.

ARTICLE IX
Declarant's Rights

Section 1. Assignment of Rights. Any or all of the rights and obligations of District Declarant may be transferred to other Persons including, without limitation, the District Association, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained herein; provided further, no such transfer shall be effective unless it is in a written instrument signed by District Declarant and duly recorded in the public records of Brevard County, Florida.

Section 2. Development Activities. Notwithstanding any provisions contained in the District Declaration or related documents to the contrary, it shall be expressly permissible for District Declarant, its sales agents, sales representatives, contractors and other designees to maintain and carry on upon portions of the Common Area, Units, Unplatted Parcels, or other portions of the District Property owned by District Declarant, such facilities and activities as, in the sole opinion of District Declarant, may be reasonably required, convenient or incidental to the construction or sale of Units or Unplatted Parcels, including, but not limited to, business offices, signs, model units, and sales offices, and siting of construction trailers, construction equipment and materials thereon, and District Declarant, its sales agents, sales representatives, contractors and other designees shall have an easement for access to and use for such purposes and of such facilities.

Section 3. Approval of Additional Covenants and Plats of the District Property. So long as District Declarant continues to have rights under this Article, no Person shall record any plat, declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument, affecting any portion of the District Property owned by such Person without District Declarant's review and written consent thereto, and any attempted recordation without compliance herewith shall result in such plat, declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument, being void and of no force and effect unless subsequently approved by recorded consent signed by District Declarant.

Section 4. Amendment. This Article may not be amended without the express written consent of District Declarant; provided, however, the rights of District Declarant contained in this Article shall terminate upon the earlier of (a) twenty-five (25) years from the date this District Declaration is recorded in the public records of Brevard County, Florida, or (b) upon recording by District Declarant of a written statement that all sales activity of District Declarant has ceased.

ARTICLE X Amendment

This District Declaration may be amended by a majority of the Board of Directors adopting a resolution setting forth the proposed amendment, if such proposed amendment is approved by the affirmative vote (in person or by proxy) or written consent, or any combination thereof, of two-thirds of the total votes of the District Association. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

In addition, during the Class B Control Period, the District Declarant, subject to approval of the U.S. Department of Housing and Urban Development and the Veterans

Administration to the extent such approval is required, reserves the right to amend this District Declaration unilaterally at any time, without prior notice and without the consent of any Person, for any purpose including, without limitation, withdrawal of certain portions of the District Property then owned by District Declarant or its affiliates from the provisions of this Declaration or a change in the uses permitted for the District Property under this District Declaration, by recordation of an amendment in the public records of Brevard County, Florida. Any such amendment by the District Declarant shall be consistent with the general development plan for the District Property set forth in this District Declaration, and with the Development Order of the Properties issued by Brevard County, Florida. Covenants and restrictions consistent with the general plan of development may include, without limitation, requirements for insurance and repair of the Common Area and Units or Unplatted Parcels, rights and obligations in respect to condemnation, rights and obligations of the District Association, including the right to promulgate rules and regulations (including without limitation liens), and providing enforcement powers, and reservation of additional easements over the District Property.

Any amendment of the District Declaration shall be recorded in the Public Records of Brevard County, Florida. In addition to the requirements set forth hereinabove, any amendment of the District Declaration shall require the prior written approval of the Community Declarant. Notwithstanding anything to the contrary set forth herein, the District Declarant may unilaterally amend this District Declaration at any time pursuant to Article VI or to include any provisions which may be required by the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Veterans Administration, the Department of Housing and Urban Development, or any other federal, state or local governmental entity, agency, or authority.

If an Owner consents to the amendment of this District Declaration, it will be conclusively presumed that such Owner has the authority so to consent and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

No amendment shall remove, revoke or modify any right or privilege of District Declarant, Community Declarant, Community Association or District Association without the written consent of such party or the assignee of such party's right or privilege. No amendment may impair the validity or priority of the lien of any Mortgage held by any Mortgagee or impair the rights granted to Mortgagees herein without the prior written consent of such Mortgagees. Any amendment of or to this District Declaration which alters any provision related to the District Drainage System or the Master Drainage System, including any Common Areas or portions thereof used for water management purposes, must have the prior approval of the St. Johns River Water Management District.

By acceptance of a deed of conveyance to a Unit or Unplatted Parcel or other portion of the District Property, each Owner thereof thereby gives its full, irrevocable and unqualified consent on behalf of itself, its mortgagees, and its successors-in-title to the amendment of this District Declaration in the manner provided in this Article.

(a) To fix, levy, collect and enforce payment of, by any lawful means, all charges, fines or Assessments pursuant to the terms of the District Declaration, these Articles or the Bylaws; to pay all expenses in connection therewith and all office and other expenses incident to the conduct of the business of the District Association, including without limitation all licenses, taxes or governmental charges levied or imposed against the property of the District Association; and to provide adequate funding for the performance of any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the District Association for the benefit of the Owners and for the maintenance, administration and

No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Unit or Unplatted Parcel owned. Any person or entity who holds any interest merely as a security for the performance of any obligation shall not be a member. In the event that joint or multiple Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Owner or Owners cast a vote on behalf of a particular Unit or Unplatted Parcel, it shall thereafter be conclusively presumed for all purposes that he was or they were acting with the authority and consent of all other Owners thereof. In the event more than the appropriate number of votes are cast for a particular Unit or Unplatted Parcel, none of said votes shall be counted and said votes shall be deemed void.

ARTICLE IX

Such officers, directors, committee members and employees shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. and may be altered, amended or rescinded in the manner provided by the Bylaws.

ARTICLE XIII

AMENDMENTS

However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. No amendment shall be effective until filed with the office of the Secretary of State of Florida. A certified copy of each amendment shall be recorded in the Public Records of Brevard County, Florida. Notwithstanding anything to the contrary set forth herein, the District Declarant may unilaterally amend these Articles at any time to include any provisions which may be required by the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Veterans Administration, and the Department of Housing and Urban Development.

No amendment may remove, revoke, or modify any right or privilege of District Declarant or the Class "B" member without the written consent of District Declarant or the Class "B" member as appropriate, or the assignee of such right or privilege. ARTICLE XVI

DISSOLUTION

Section 2. Principal Office. The principal office of the District Association in the State of Florida shall be located in Brevard County. The District Association may have such other offices, either within or outside the State of Florida, as the Board of Directors may determine or as the affairs of the District Association may require.

Section 3. Definitions. The words used in these Bylaws shall have the same meaning as set forth in the First Amendment to and Restatement of Declaration of Covenants, Conditions, Easements, Reservations and Restrictions for Stoneridge Townhomes Residential District, recorded or to be recorded in the public records of Brevard County, Florida, as supplemented, restated, renewed, extended or amended, from time to time (the "District Declaration"), unless the context shall otherwise require.

Section 4. Corporate Seal. The seal of the corporation shall bear the name of the District Association, the word "Florida", and the year of incorporation.

Article II

District Association:
Membership, Meeting, Quorum, Voting, Proxies

Section 1. Membership. The District Association shall have two (2) classes of membership, Class "A" and Class "B", as more fully set forth in the District Declaration, the terms of which pertaining to membership are specifically incorporated herein by reference. Meetings of the District Association shall be of the members of the District Association and the members shall cast their votes as provided in the District Declaration on those matters requiring a vote of the membership of the District Association. Notwithstanding the foregoing, as to all matters pertaining to the Community Association related to voting by the District, the Voting Member of the District as defined in the District Declaration shall be responsible for casting all votes of the membership of the District Association on all matters requiring the vote of the membership of the District Association, unless otherwise expressly specified in the Community Declaration or the Bylaws of the Community Association. Such Voting Member shall be entitled to exercise such votes as he in his discretion, deems appropriate.

Section 2. Place of Meetings. Meetings of the District Association shall be held at the principal office of the District Association or at such other suitable place convenient to the members as may be designated by the Board of Directors either within the District Property or as convenient thereto as possible and practical.

Section 3. Annual Meetings. Annual meetings of the District Association shall be set by the Board of Directors from time to time, provided the first meeting of the District Association occurs no earlier than one year after the District Association is incorporated. The election of directors, if one is required to be held, shall be held at, or in conjunction with, the annual meeting.

Section 4. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the District Association if so directed by resolution of a majority of a quorum of the Board of Directors. In addition, after the Class "B" Control Period has terminated, it shall be the duty of the President to call a special meeting of the District Association if a petition is signed by members representing at least ten percent (10%) of the total votes of the District Association requesting a special meeting. The notice of any special meeting shall state the date, time and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Notice of Meetings. Written or printed notice stating the time and place of any meeting of the members shall be published in such a manner as is reasonably calculated to provide such notice to each member at least fourteen (14) days in advance of any meeting, but in no event shall such publication provide less notice than that required by Section 720.306, Florida Statutes (2004), as amended from time to time. When required by statute or these Bylaws, the purpose or purposes for which the meeting is called shall be stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the records of the District Association, with postage thereon prepaid.

Section 6. Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any members may, in writing, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member shall be deemed a waiver by such member of notice of the time, date and place thereof and of the business transacted thereat (if notice of same is required by statute or by these Bylaws), unless such member specifically objects to lack of proper notice at the time the meeting is called to order, or in the case where the business transacted thereat is required to be contained in the notice, such member specifically objects to proper notice before such business is put to a vote.

Section 7. Adjournment of Meetings. If any meeting of the District Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five

(5) nor more than thirty (30) days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to members in the manner prescribed for regular meetings.

The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum, provided that members or their proxies representing at least fifteen percent (15%) of the total votes of the District Association remain in attendance, and provided further that any action taken is approved by members or their proxies representing at least a majority of the number of votes of the District Association required to constitute a quorum.

Section 8. Voting. The voting rights of the members shall be as set forth in the District Declaration as supplemented and amended from time to time, and such voting rights provisions are specifically incorporated herein.

Section 9. Designation of Voting Representative. If a Unit or Unplatted Parcel is owned by one person or entity, its rights to vote shall be established by the record title to the Unit or Unplatted Parcel. If a Unit or Unplatted Parcel is owned by more than one person or entity, the person entitled to cast the votes for the Unit or Unplatted Parcel shall be designated by a certificate signed by all of the record Owners (as defined in the District Declaration) of the Unit or Unplatted Parcel and filed with the Secretary of the District Association. If a Unit or Unplatted Parcel is owned by a general or limited partnership, the person entitled to cast the votes for the Unit or Unplatted Parcel shall be designated by a certificate of appointment signed by one of the general partners and filed with the Secretary of the District Association. If a Unit or Unplatted Parcel is owned by a corporation, the person entitled to cast the votes for the Unit or Unplatted Parcel shall be designated by a certificate of appointment signed by the president or vice president of the corporation and filed with the Secretary of the District Association. If a Unit or Unplatted Parcel is owned in trust, the person entitled to vote for the Unit or Unplatted Parcel shall be designated by a certificate of appointment signed by the trustee of record for the trust and filed with the Secretary of the District Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Unit or Unplatted Parcel concerned. A certificate designating the person entitled to cast the votes of a Unit or Unplatted Parcel may be revoked in writing by any Owner thereof; provided, however, that no Unit or Unplatted Parcel shall vote in excess of the voting rights allocated to that Unit or Unplatted Parcel in the District Declaration.

Section 10. Approval or Disapproval of Matters. Whenever the decision of an Owner is required upon any matter, whether or not the subject of a District Association meeting, such decision shall be expressed by the same person who would cast the votes of such Owner if at a District Association meeting, unless the joinder of record Owners is specifically required by the District Declaration, the Articles of Incorporation of the District Association or these Bylaws.

Section 11. Restraint Upon Assignment of Shares in Assets. The share of a member in the funds and assets of the District Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to that member's Unit or Unplatted Parcel.

Section 12. Proxies. A member may authorize another person to act for him by proxy. Such proxy must be executed in accordance with, and shall be subject to the limitations set forth in, Section 720.306, Florida Statutes (2004), as amended from time to time. Every proxy shall be revocable at the pleasure of the member executing it and shall expire upon the transfer of title to the Unit or Unplatted Parcel giving rise to the voting rights to which the proxy pertains. The authority of the holder of a proxy to act shall not be revoked by the incompetence or death of the member who executed the proxy unless, before the authority is exercised, written notice of an adjudication of such incompetence or of such death is received by the District Association officer responsible for maintaining the list of members.

Section 13. Majority. As used in these Bylaws, the term "majority" shall mean those votes, owners, or other group as the context may indicate totaling more than fifty percent (50%) of the total number.

Section 14. Quorum. Except as otherwise provided in these Bylaws or in the District Declaration, the presence in person or by proxy of the members representing thirty percent (30%) of the total votes in the District Association shall constitute a quorum at all meetings of the District Association. Any provision in the District Declaration concerning quorums is specifically incorporated herein.

Section 15. Conduct of Meetings. The President, or in his absence the Vice President, shall preside over all meetings of the District Association, and the Secretary shall keep the minutes of the meeting and record in a minute book all resolutions adopted at the meeting, as well a record of all transactions occurring at the meeting.

Section 16. Action Without A Meeting. Any action required by law to be taken at a meeting of the members or any action which may be taken at a meeting of the members, may be taken without a meeting if written consent setting forth the action so taken is signed by all of the members entitled to vote with respect to the subject matter thereof; and any such consent shall have the same force and effect as a unanimous vote of the members.

Article III

Board of Directors: Number, Powers, Meetings

A. Composition and Selection.

Section 1. Governing Body; Composition. The affairs of the District Association shall be governed by the Board of Directors, each of whom shall have one (1) vote. Except with respect to directors appointed by the District Declarant, the directors shall be members or spouses of such members; provided, however, no person and his or her spouse may serve on the

Board of Directors at the same time. In the case of a member which is a corporation, partnership, or other legal entity, the person designated in writing by certificate filed with the Secretary of the District Association as the voting representative (pursuant to Article II, Section 9 hereof) of such corporation, partnership or other legal entity shall be eligible to serve as a director.

Section 2. Directors During Class "B" Control. During the Class "B" Control Period (as defined in the District Declaration), all members of the Board of Directors shall be appointed by the District Declarant acting in its sole discretion and shall serve at the pleasure of the District Declarant.

Section 3. Number of Directors. During the Class "B" Control Period the number of directors on the Board of Directors shall be no less than three (3). The number of directors on the Board of Directors may be increased (i) by the District Declarant during the Class "B" Control Period or (ii) by the approval of a majority of the members after the class "B" Control Period, provided that there shall always be an odd number of directors. The initial Board of Directors shall consist of three (3) directors appointed by the District Declarant. In the event the Declarant elects to increase the number of directors during the Class "B" Control Period, then the majority of the directors shall be appointed by the Declarant and the remaining directors shall be elected by the members, with the directors appointed by the Declarant serving until their resignation or replacement and the directors elected by the members serving two (2) year terms (except as otherwise expressly provided in Section 5 of this Article III hereinbelow). The Declarant may appoint additional directors in its sole discretion to the Board of Directors from time to time to replace directors appointed by it, to fill vacancies of directors appointed by it, or to fill additional positions on the Board of Directors due to its expansion in excess of five (5) members.

Section 4. Nomination of Directors. Except with respect to directors entitled to be selected by the District Declarant as provided in Section 3 of this Article, nominations for election of directors to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and two (2) or more members of the District Association appointed by the Board of Directors. The Nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to such annual meeting of the members at which members other than the District Declarant are entitled to elect members to the Board of Directors. Members of the Nominating Committee shall serve a term of one (1) year or until their successors are appointed. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but in no event less than the number of positions to be filled. Nominations shall also be permitted from the floor. All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

Section 5. Election and Term of Office. Within thirty (30) days after termination of the Class "B" Control Period, the District Association shall call a special meeting at which the Class "A" members shall elect all directors of the Board of Directors; provided, however, in the event the Declarant elected to have more than three (3) directors during the Class "B" Control

Period, then only the directors appointed by the Declarant shall be elected at such special meeting and the remaining directors previously elected by the members shall remain as directors until the expiration of their terms. A majority of the directors shall be elected to serve a term of two (2) years, and the remaining directors shall be elected to serve a term of one (1) year (when directors have been elected by the members during the Class "B" Control Period pursuant to Section 3 of this Article III, they shall be deemed to have been elected to terms ending one (1) year after the date of such special meeting). Upon the expiration of the initial term of office of each such director, a successor shall be elected to serve a term of two (2) years. Thereafter, all directors shall be elected to serve two (2) year terms.

At any election of directors by members, each member shall be entitled to cast with respect to each vacancy to be filled on the Board of Directors, as many votes as it is entitled to vote under the terms of the District Declaration. There shall be no cumulative voting. The candidates receiving the largest number of votes shall be elected to fill the positions for which the election is held. Directors elected by the members shall hold office until their respective successors have been elected. Directors may be elected to serve any number of consecutive terms.

Section 6. Removal of Directors and Vacancies. A director may be removed, with or without cause, by the vote of a majority of the total voting interests. Provided, however, if a specific class of members is entitled to elect a director or directors, only that class of members may vote to remove those directors so elected by that specific class of members. In accordance with all applicable procedures and provisions of the Florida Statutes, directors may be removed by a vote taken at a special meeting of the members called by at least ten percent (10%) of the voting interests or by a written agreement or written ballot without the need for a member meeting. Any director whose removal is sought, shall be given notice, as specified in the applicable provisions of the Florida Statutes for the recall of directors, prior to any meeting called for that purpose, and such notice shall state the purpose for the meeting. At such meeting as the director is removed, a successor shall be elected by the members to fill the vacancy for the remainder of the term of such director. Any director appointed by the District Declarant may only be removed by the District Declarant, in its sole discretion, and the District Declarant shall be entitled to appoint a director to fill the vacancy created.

Any director elected by the members who has three (3) consecutive unexcused absences from Board of Directors meetings or who is delinquent in the payment of any assessment or other charge due the District Association for more than thirty (30) days may be removed by a majority of the directors present at a regular or special meeting at which a quorum is present, and a successor may be appointed by the Board of Directors to fill the vacancy for the remainder of the term. The foregoing shall not apply to directors appointed by District Declarant to the Board of Directors.

Except in the case of directors appointed by District Declarant, in the event of the death, disability or resignation of a director, a vacancy may be declared by the Board of Directors, and it may appoint a successor. Any director appointed by the Board of Directors shall serve for the remainder of the term of the director who vacated the position. In the event of death, disability

or resignation of a director appointed by the District Declarant, the District Declarant shall be entitled to appoint a director to fill the vacancy created, and such director shall serve for the remainder of the term of the director who vacated the position.

B. Meetings.

Section 7. Organizational Meetings. The first meeting of the Board of Directors following each annual meeting of the District Association shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board of Directors.

Section 8. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the directors. Notice of the time and place of the meetings of the Board of Directors shall be communicated to directors not less than forty-eight (48) hours prior to the meeting; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

Section 9. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President or by any two (2) directors of the Board of Directors if the Board of Directors is three members or by any three (3) directors of the Board of Directors if the Board of Directors is five members. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director of the Board of Directors by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; or (d) by telegram, telecopy, charges prepaid. All such notices shall be given at the director's telephone number or sent to the director's address as shown on the records of the District Association. Notices shall be delivered at least forty-eight (48) hours before the time set for the meeting.

Section 10. Notice of Meetings. Notwithstanding any other provision for notice of Board meetings contained in this Article III, notice of all Board meetings must be posted in a conspicuous place on the Common Area at least forty-eight (48) hours in advance of a meeting of the Board of Directors, except in an emergency. Alternatively, if not posted in a conspicuous place on the Common Area, notice of each Board meeting must be mailed or delivered to each member at least seven (7) days before the meeting, except in an emergency. Provided, however, an assessment may not be levied at any Board meeting unless written notice of the meeting (i) is provided to all members at least fourteen (14) days prior to the meeting, and (ii) the notice includes a statement that assessments will be considered and the nature of the assessments.

Section 11. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the

lack of adequate notice.

Section 12. Quorum of Board of Directors; Voting. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board of Directors cannot be held because a quorum is not present, a majority of the directors who are present at such meeting may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the date the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 13. Compensation. No director shall receive any compensation from the District Association for acting as such unless approved by members representing a majority of the total votes of the District Association at a regular or special meeting of the District Association; provided any director may be reimbursed for expenses incurred on behalf of the District Association upon approval of a majority of the other directors.

Section 14. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of meetings of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and all transactions and proceedings occurring at such meetings. Meetings may be conducted by telephone and shall be considered as any other meeting, provided the directors participating in the meeting are able through telephone connection to hear and to be heard.

Section 15. Open Meetings; Notice to Members. Subject to the provisions of Section 16 of this Article and the provisions of Florida law, all meetings of the Board of Directors shall be open to all members, but members other than directors may not participate in any discussion or deliberation unless permission to speak is requested on his or her behalf by a director. In such case, the President may limit the time any member may speak. Provided, however, notwithstanding anything in this Section 15 to the contrary, a member may speak on any matter placed on the agenda by a petition of the voting interests for at least three (3) minutes. Meetings between the Board of Directors and its attorney with respect to proposed or pending litigation where the contents of the discussion would otherwise be governed by the attorney-client privilege shall not be open to members. Except in an emergency, written or printed notice stating the time and place of any meeting of the Board of Directors shall be published in such a manner as is reasonably calculated to provide such notice to each member at least forty-eight (48) hours in advance of any meeting, which publication may be accomplished by posting such notice in a conspicuous place in the District, publishing in a local newspaper, providing a schedule of such meetings or such other method as is determined by the Board of Directors. When required by the provisions of Florida law, the purpose or purposes for which the meeting is called shall be stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the records of the District Association, with postage thereon prepaid.

Section 16. Action Without a Formal Meeting. Any action to be taken or that may be taken at a meeting of the Board of Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the directors of the Board of Directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

Section 17. Powers. The Board of Directors shall be responsible for the affairs of the District Association and shall have all of the powers and duties necessary for the administration of the District Association's affairs and may do all acts and things as provided by law as are not by the District Declaration, the Articles of Incorporation or these Bylaws directed to be done and exercised exclusively by the membership generally.

The Board of Directors shall delegate to one of its members the authority to act on behalf of the Board of Directors on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board of Directors.

The Board of Directors shall have exclusive jurisdiction over and the sole responsibility for the District Association's administration, management, operation, regulation, care, maintenance, repair, restoration, replacement, preservation and protection of the Common Area and Area of Common Responsibility; the establishment, levy, imposition, enforcement and collection of all assessments for which provision is made in the District Declaration; the promotion and advancement of the general interests of the members of the District Association; all as more particularly provided in the District Declaration, Articles of Incorporation, these Bylaws and the rules and regulations of the District Association.

In addition to the duties imposed by the District Declaration, the Articles of Incorporation and these Bylaws or by any resolution of the District Association that may hereafter be adopted, the Board of Directors shall have the power to and shall be responsible for the following, by way of explanation, but not limitation:

(a) preparation and adoption of annual budgets, including provisions for establishing reserve funds for replaceable assets, in which there shall be established the contribution of each Owner to the Common Expenses;

(b) making assessments to defray the Common Expenses, establishing the means and methods of collecting such assessments, and establishing the period of the installment payments of assessments; provided, unless otherwise determined by the Board of Directors, the Regular Assessment shall be payable in one (1) annual payment in advance on the first day of January of each year;

(c) providing for the operation, care, upkeep, and maintenance of all of the Common Area and Area of Common Responsibility;

(d) designating, hiring and dismissing the personnel necessary for the maintenance, operation, repair and replacement of the District Association, its property, Common Area and Area of Common Responsibility, and where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies and materials to be used by such personnel in the performance of their duties;

(e) collecting the assessments, depositing the proceeds thereof in a bank depository which it shall approve, and using the proceeds to administer the District Association; provided, any reserve fund may be deposited, in the directors' best business judgment in depositories other than banks;

(f) making and amending rules and regulations;

(g) opening of bank accounts on behalf of the District Association and designating the signatories required;

(h) making or contracting for the making of repairs, additions and improvements to or alterations of the Common Area in accordance with the District Declaration and these Bylaws after damage or destruction by fire or other casualty;

(i) enforcing by legal means the provisions of the District Declaration, these Bylaws, and the rules and regulations adopted by it and bringing any proceedings which may be instituted on behalf of or against the Owners concerning the District Association;

(j) obtaining and carrying insurance against casualties and liabilities, as provided in the District Declaration or as otherwise determined to be appropriate by the Board of Directors, and paying the premium cost thereof;

Section 18. Management Agent.

(a) The Board of Directors may employ for the District Association a professional management agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The Board of Directors may delegate to the managing agent or manager, subject to the Board of Directors' supervision, all of the powers granted to the Board of Directors by these Bylaws, other than the powers set forth in subparagraphs (a), (b), (f), (g), (i) and (o) of Section 17 of this Article. The District Declarant, or an affiliate or other related entity of the District Declarant, may be employed as managing agent or manager.

(b) No management contract may have a term in excess of one (1) year and must permit termination by either party without cause and without termination fee on ninety (90) days' or less written notice.

(c) No remuneration shall be accepted by the managing agent from vendors, independent contractors or others providing goods or services to the District Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts or otherwise; anything of value received shall benefit the District Association; provided, nothing herein shall prohibit the managing agent from earning commissions for services performed by the managing agent in leasing Units on behalf of Owners of such Units.

Section 19. Borrowing. The Board of Directors shall have the power to borrow money for the purpose of maintenance, repair, restoration, replacement, preservation and protection of the Common Area without the approval of the members of the District Association. The Board of Directors shall also have the power to borrow money for other purposes; provided, the Board of Directors shall obtain the approval of members representing a majority of the total votes of the District Association in the event that the proposed borrowing is for the purpose of modifying, improving or adding amenities and the total amount of such borrowing exceeds or would exceed five percent (5%) of the budgeted gross expenses of the District Association for that fiscal year. Notwithstanding anything to the contrary contained in the District Declaration, these Bylaws or the Articles of Incorporation, during the Class "B" Control Period, no mortgage lien shall be placed on any portion of the Common Area owned by the District Association without the affirmative vote or written consent, or any combination thereof, of members representing at least a majority of the total votes of the District Association other than District Declarant.

Section 20. Rights of the District Association. With respect to the Common Area,

Areas of Common Responsibility, or other areas of responsibility of the District Association, and in accordance with the Articles of Incorporation, these Bylaws and the District Declaration, the Board of Directors on behalf of the District Association shall have the right to contract with any Person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Board of Directors on behalf of the District Association to enter into common management, operational or other agreements with trusts, condominiums, cooperatives or Districts and other owners or associations, both within and without the Properties. Such agreements shall require the consent of a majority of all directors of the District Association.

Section 21. Enforcement. The Board of Directors shall have the power to impose reasonable fines, which, unless prohibited by applicable provisions of the Florida Statutes, shall constitute a lien upon the property of the violating Owner, and to suspend an Owner's (and any tenant's, occupant's, guest's or invitee's) right to use the Common Area or Areas of Common Responsibility for violation of any duty imposed upon such Owner under the District Declaration, the Articles of Incorporation, these Bylaws or any rules and regulations duly adopted hereunder; provided, however, nothing herein shall authorize the District Association or the Board of Directors to limit ingress and egress to or from a Unit or Unplatted Parcel. In the event that any tenant, occupant, guest or invitee of a Unit or Unplatted Parcel violates the District Declaration, Articles of Incorporation, Bylaws or a rule or regulation and a fine is imposed, the fine may first be assessed against such person; provided, however, if the fine is not paid by such person within the time period set by the Board of Directors, the Owner of such Unit or Unplatted Parcel shall pay the fine upon notice from the District Association. All fines and suspensions imposed pursuant to this paragraph shall be imposed in accordance with the applicable requirements of the Florida Statutes. The failure of the Board of Directors to enforce any provision of the District Declaration, Articles of Incorporation, Bylaws or any rule or regulation shall not be deemed a waiver of the right of the Board of Directors to do so thereafter.

(a) Notice. Prior to imposition of any sanction hereunder for any violation other than the failure to pay assessments, the Board of Directors or its delegate (or the Covenants Committee, if any) shall serve the alleged violator with written notice by mail, hand delivery or other delivery at the address of the alleged violator contained in the records of the District Association, or if no address of the alleged violator is on record, then by posting written notice at the site of the alleged violation describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than fourteen (14) days within which the alleged violator may present a written request to the Board of Directors (or the Covenants Committee, if any) for a hearing; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within the period of time provided in (iii) for requesting a hearing. If a timely challenge is not made, the sanction stated in the notice shall be imposed. The sanction may include, without limitation, sanctions that will automatically be imposed by the District Association in the event the violation is not abated or recurs within a stated period from the alleged violation. Copies of notices and proof of notice shall be placed in the records of the District Association. Proof of notice shall be deemed adequate if a copy of the notice, together with statement of the date and manner of delivery, is entered by the officer, director or agent who delivered such notice, or if the alleged violator requests a hearing within the time period stated in the notice.

(b) Hearing. If a hearing is requested in a timely manner, the hearing shall be held before the Board of Directors affording the Owner a reasonable opportunity to be heard. Provided, however, a hearing for the purpose of imposing a fine or suspension of rights shall be before a committee of at least three (3) members appointed by the Board of Directors who are not officers, directors, or employees of the Association and are not related within the first degree of any of the foregoing. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, recommended by the committee to be imposed by the Board of Directors. In the event the committee, by majority vote, does not approve a proposed fine, suspension or other sanction, it may not be imposed.

(c) Appeal. Following a hearing, the violator shall have the right to appeal the decision to the Board of Directors. To perfect this right, a written notice of appeal must be received by the manager, President or Secretary of the District Association within ten (10) days after the hearing date. The decision of the Board of Directors shall be final.

(d) Additional Enforcement Rights. Notwithstanding anything to the contrary herein contained, the District Association, acting through the Board of Directors, may elect to enforce any provision of the District Declaration, the Articles of Incorporation, these Bylaws, or the rules and regulations of the District Association by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations) or by suit at law or in equity to enjoin any violation, to recover monetary damages, or to seek any other appropriate remedy, or any combination of the foregoing, without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorneys' and paralegals' fees incurred by the District Association, whether suit be brought or not, and including those incurred on appeal, if any.
